

Hi Folks,

My wife, Joan Blanc, and I are Brooklyn College grads from 1961 (Physics and Biology), living in Encinitas, CA. We would like to revive the San Diego chapter of Brooklyn College alumni, and perhaps have an introductory meeting for breakfast, lunch, brunch or dinner. The cost for the initial brunch would be around \$8.00-\$15.00 per person, depending on the number of people who respond and the location.

This would be a great opportunity for all of us San Diego BC types to get together, share our life stories, schmooze, exchange telephone numbers and e-mails, and do some general social networking. It should be great fun. It is open to all BC alumni living in San Diego and vicinity.

If you have a general interest in this type of thing, please return the tear-off, or e-mail me at davidsh@sbcglobal.net and/or call me at 760-942-5167. I will then compile an up-to-date roster of interested people and will send e-mail notices of future meetings. Those who don't have e-mail, I will call.

So send your e-mails, your ideas, and we will soon meet for brunch.
