**Part A****Part A - Establish Your Groups.**

Due to requirements included in the Higher Education Opportunity Act (HEOA), there are now multiple groups of students on which you must report financial aid data. Use Part A to establish these groups below.

Institutions need to report aid on this component such that their net price calculations shown on College Navigator and used for the College Affordability lists is a reflection of what students actually pay.

Report the number of students in each of the following groups:

	Fall 2008	Fall 2008 counts reported on Fall Enrollment	Fall 2007 counts reported on PY SFA
<b>01 Group 1.</b> All undergraduate students enrolled in Fall 2008.	13,011	13,011	<b>12,495</b>
<b>02 Group 2.</b> Of those in Group 1, those who are full-time, first-time degree/certificate-seeking undergraduates.	1,330	1,330	<b>1,300</b>
Of those in Group 2, those who <b>received any Federal Work Study, loans to students, or</b>			
<b>02a grant or scholarship aid from federal, state or local governments, the institution, or</b>	1,109		<b>1,063</b>
<b>other sources known to the institution.</b>			
<b>03 Group 3.</b> Of those in Group 2, those <b>paying the in-state or in-district tuition rate who received grant or scholarship aid</b> from federal, state or local governments, or the institution. <b>Exclude other sources of grants.</b> (Data on Group 3 will be used to calculate net price as required by HEOA.)	1,074		
<b>04 Group 4.</b> Of those in Group 2, those <b>paying the in-state or in-district tuition rate who received Title IV federal student aid.</b> (Data on Group 4 will be used to calculate net price by income as required by HEOA.)	751

**Part B****Part B - Financial Aid About Group 1**

For reporting on Group 1 below, please include:

- all undergraduates enrolled in Fall 2008.
- aid from all sources: federal, state, local governments; your institution; and other sources known to the institution.
- aid received anytime during the full aid year (academic year 2008-09).

	Fall 2008	Prior Fall
Total number of undergraduate students <b>(Group 1)</b> . (Carried forward from A01.)	13,011	<b>12,495</b>

For **Group 1**, report the number of students and the total amount of aid received by those students at any time during the full aid year 2008-09, for each type of aid listed below. The percentages will be calculated for you as will the average amount of aid they received.

Aid Type	Number of students in <b>Group 1</b> receiving aid in 2008-09	Percentage of students receiving aid	Total amount of aid received by <b>Group 1</b> in 2008-09	Average amount of aid received by students in <b>Group 1</b>

**Part C, Page 2****Part C - Financial Aid About Group 2, Page 2**

For reporting on Group 2 below, please include:

- full-time, first-time degree-seeking students enrolled in Fall 2008.
- grants and scholarships from federal, state, local governments and from your institution; **do not include aid from other sources.**
- loans to students from the federal government and from other sources (including private lenders).
- aid received anytime during the full aid year (academic year 2008-09).

**Information from Part A:**All full-time, first-time degree/certificate-seeking undergraduates. **(Group 2)** (Carried forward from A02.) 1,330Full-time, first-time degree/certificate-seeking undergraduates who **received any Federal Work Study, loans to students, or grant or scholarship aid from federal, state or local governments, the institution, or other sources known to the institution** (Carried forward from A02a.) 1,109

**Column 1:** For each type of aid, report the **number of students receiving aid** anytime during the full 2008-09 aid year. The percentage (column 2) and average amount of aid received (column 4) will be calculated for you. Because students may receive more than one type of aid, the sum of the detail will not necessarily equal the total number of students for the category. However, the total number of students reported for the aid category cannot exceed the sum of detail numbers (e.g., number receiving Federal grants cannot exceed Number of students receiving Pell Grants + number receiving Other Federal grants).

**Column 3:** For each type of aid, report the **total amount of aid** received by these students anytime during the entire aid year. Total amounts for each category will be calculated from detail amounts you report as follows (CV indicates calculated dollar value):

CV 01=02+03+04

CV 02=02a+02b

CV 05=05a+05b

Types of aid	Number of students in Group 2 receiving aid in 2008-09	Percentage of students in Group 2 receiving aid	Total dollar amount of aid received by Group 2 in 2008-09	Average amount of aid they received	PY Average amount

You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents. For example, institutions may report here other sources of private aid not included in the categories above.

**Explanation Report**

Number	Source	Location	Description	Severity	Accepted
<b>Screen: Part C - Financial Aid About Group 2, Page 2</b>					
1	Row 14 Column 7	Upload File	The average amount of this aid type is outside the expected range when compared to last year's value. Please verify that the values reported for the number of students and the total amount of aid received are correct.	Explanation	Yes
Reason:	The maximum award of Pell grants increased from \$4,310 in 2007-2008 to \$4,731 in 2008-2009. This may contribute to the increase in average amount of Pell grants our students received. Also, the increase in the average amount of Pell grants, which are need-based grants, may reflect the increase in the need demonstrated by CUNY's students during an economic downturn.				
2	Row 13 Column 6	Upload File	The average amount of this aid type is outside the expected range when compared to last year's value. Please verify that the values reported for the number of students and the total amount of aid received are correct.	Explanation	Yes
Reason:	The increase in average amount of Federal grants is largely driven by the increase in the average amount of Pell grants since the latter accounts for the great majority of Federal grants.				
3	Row 16 Column 6	Upload File	The average amount of this aid type is outside the expected range when compared to last year's value. Please verify that the values reported for the number of students and the total amount of aid received are correct.	Explanation	Yes
Reason:	Given the financial troubles New York State experienced and the cut in State funding to CUNY, we expect a decrease in state/local government grants at our colleges.				
4	Row 19 Column 7	Upload File	The average amount of this aid type is outside the expected range when compared to last year's value. Please verify that the values reported for the number of students and the total amount of aid received are correct.	Explanation	Yes
Reason:	Given the economic downturn, we expect an increase in the amount of loans (Federal loans) our students apply for.				
5	Row 18 Column 5	Upload File	The average amount of this aid type is outside the expected range when compared to last year's value. Please verify that the values reported for the number of students and the total amount of aid received are correct.	Explanation	Yes
Reason:	Given the economic downturn, we expect an increase in the amount of loans (Federal loans) our students apply for.
