Institutional Characteristics 2022-23

Overview

Institutional Characteristics Overview
Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's student services and student charges.

Much of the data reported on IC appear on College Navigator, which is updated once a year after IC data have been reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. **Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year revision system.**

Remember, it is the responsibility of the keyholder to submit accurate data about the institution. Please contact the IPEDS Help Desk for clarifications to make sure that you are reporting correctly.

Data Reporting Reminder:
- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.

Changes in reporting:
The following changes were implemented for the 2022-23 data collection period:
- The Mission Statement has been moved to the IC Header component and the Parts have been reorganized due to that move.
- There are new options for special learning opportunities.
- Removed remedial services option from Question B4, since it is now asked in IC Header Questions 1 and 5.
- A new option (Promise Plan) has been added in Part B (question 6b).
- In Part C, Question 2, academic reporters can select which of the tuition options are charged by their institution.
- Context boxes have new scripted options for Cost of Attendance from which you can choose, or you can provide your own context.
- There are other minor wording changes for clarification only.

Common Errors
Quality control reviews of past IC data indicate frequently made errors. Please review the common errors below to ensure accurate reporting.
- Part C, question 8 should only be marked “YES” if your institution is EXCLUSIVELY distance education. Do not mark “YES” if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk to override, or fix, the data.
- Make sure you understand ALL definitions before responding to questions. For example, make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.

Important Instructions for COMBINED Reporting

Important Instructions for COMBINED Reporting on Institutional Characteristics

For institutions with Campus Reporting

You will submit a single Institutional Characteristics component that combines data and characteristics from your main campus and all campuses that report under the main campus. The only exception to this is the Cost of Attendance, which you will submit separately for the main campus and each campus. - Part B - Student Services
- Part C - Student Charges - all screens, except Cost of Attendance
- Part D - Athletic Association

Please report data separately for the main campus:
- Part C - Cost of Attendance

Please report data separately for each campus:
- Part E - Award Levels; Full-time, first-time students; Cost of Attendance

Part E screens will be provided for the submission of separate data by campus.

Screens will also be provided so that you can update the Institution Identification information for each branch campus.

11. Cost of attendance for full-time, first-time undergraduate students:
These numbers are carried forward to the Student Financial Aid and used in net price calculations. Please enter the amounts requested below for each Cost of Attendance (COA) category. These data will be made available to the public on College Navigator. You must complete all information if your institution participates in any Title IV financial aid programs (e.g., Federal Pell Grant, Federal Direct Loans). Please work with the financial aid office at your institution to make sure the values reported are correct.

Notes:
- If your institution offers room (housing) but does not offer board, refer to your institution’s COA budgets to report an estimate of how much students would spend on board.
- Similarly, if your institution offers board but does not offer room (housing), refer to your institution’s COA budgets to report an estimate of how much students would spend on room.

If the 2022-23 tuition and/or fees as reported on this page for full-time, first-time students are covered by a tuition guarantee program, check the applicable box(es) under ‘Tuition Guarantee’. Additionally, please indicate the maximum % increase that is guaranteed. These numbers are expected to be fairly small. Please contact the Help Desk if you are confused about these values and how to report them.

Institutional Characteristics Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2022.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@nci.org.
