Statement of Accreditation Status

BROOKLYN COLLEGE OF THE CITY UNIVERSITY OF NEW YORK

The Middle States Commission on Higher Education (MSCHE or the Commission) is one of seven regional accrediting organizations in the United States and is recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation (CHEA). MSCHE is an institutional accreditor, therefore, it examines and reaffirms accreditation for each of its member institutions as a whole, rather than the specific programs within the institution. MSCHE does not approve individual programs. MSCHE accreditation does not expire but is reaffirmed at the time of the institution’s next review.

The Statement of Accreditation Status (SAS) is the Commission’s official public statement about each institution’s current accreditation status and scope of accreditation. The SAS also provides a brief history of the actions taken by the Commission.

Substantive Change Actions

Last 10 Years:

August 28, 2017
To acknowledge receipt of the substantive change request. To include the first alternative delivery method program - online Advanced Certificate in Early Intervention and Parenting (ACEIP) - within the scope of the institution's accreditation. The next evaluation visit is scheduled for 2018-2019.

April 27, 2015
To acknowledge receipt of the substantive change request. To include the additional location at the Barry R. Feirstein Graduate School of Cinema, 25 Washington Avenue, Brooklyn, NY 11205 provisionally within the scope of the institution's accreditation pending a site visit within six months of the commencement of operations. The Commission requires written notification within thirty days of the commencement of operations at this additional location. In the event that operations at the additional location do not commence within one calendar year from the approval of this action, approval will lapse. To remind the institution of the monitoring report, due April 1, 2016, documenting further progress on the implementation of a documented, organized, and sustained assessment process to evaluate and improve the total range of programs and services, achievement of institutional mission, goals and plans, and compliance with accreditation standards with the support and collaboration of faculty and administration in assessing student learning and responding to assessment results (Standards 7 and 14). The next evaluation visit is scheduled for 2018-2019.
