

Orientation to Campus Life

Dear Transfer Student:

Welcome to campus life at Brooklyn College!
We are pleased that you have chosen to join our
campus community for the fall 2008 semester.

The Orientation for Transfer Students is an
informative and festive event. It provides an opportunity
for you to learn about the resources, services, and
cocurricular activities that Brooklyn College offers as
well as the expectations of all students entering the
College. You may also meet and socialize with fellow
students. We are certain you will find Brooklyn College
an exciting place!

Please review the Orientation Program schedule.
We are confident that you will find these events
helpful as you begin your tenure as a student at
Brooklyn College.

We look forward to meeting you. Once again,
WELCOME to the Brooklyn College family.
