

- Meet students and faculty who share your interests in neuroscience
- Participate in neuroscience-related social events
- Learn about exciting advances in brain science as they happen
- Work along side BC faculty in a neuroscience laboratory
- Receive advising on career opportunities, and neuroscience coursework
- Attend neuroscience-related conferences with BC students and faculty

Undergraduate Neuroscience Group

Department of Psychology, Brooklyn College
2900 Bedford Avenue
Brooklyn, NY 11210

**Brooklyn
College**

Minor in Neuroscience

Required Courses

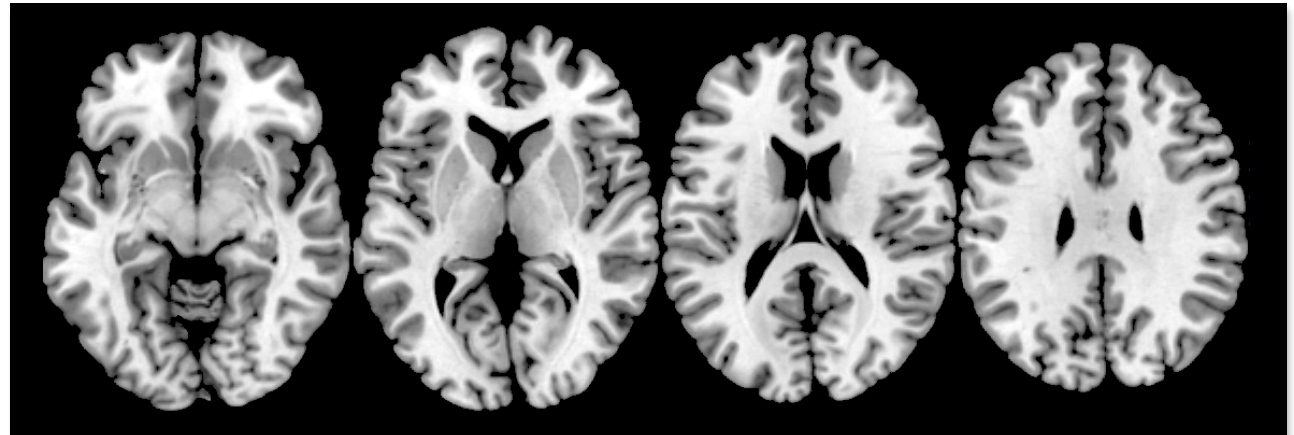

All of the following:

1. Psychology 2600:
Mind, Brain, &
Behavior
2. Psychology
2610/Biology 2020:
Neurobiology
3. Psychology 3600:
Behavioral
Neuroscience

Three of the following:

1. Psychology
3610/Biology 3020:
Behavioral
Neuroendocrinology
2. Psychology 3660:
Drugs and Behavior
3. Psychology 3670:
Comparative
Psychology
4. Psychology 3680:
Human
Neuropsychology
5. Psychology
4690/Biology 5020:
Special Topics in
Biopsychology

*please see an advisor if
undertaking the minor

“The Obama administration is planning a decade-long scientific effort to examine the workings of the human brain and build a comprehensive map of its activity, seeking to do for the brain what the Human Genome Project did for genetics.” – NY Times

Now is an excellent time for you to pursue neuroscience! There are many traditional neuroscience careers and many more careers that benefit from knowledge of neuroscience.

Traditional Careers: Neuroscientist, Neurosurgeon, Neurologist, Neuropathologist, Neuropharmacologist, Neuropsychologist, Neuroradiologist, Diagnostic Technician, Professor of Neuroscience, and more!

Other Careers: Artificial Intelligence, Assistive technology, Computer Science, Drug Rehabilitation, Education, Engineering, Hospital Administration, Law, Linguistics, Neuroprosthetics, Machine Learning, Occupational Therapy, Pharmaceutical sales, Pharmacist, Physical Therapy, Speech Pathology, Public Policy, Special Education, and more!

Faculty Mentors can help!

Professors Israel Abramov, Jennifer Basil, Elizabeth Chua, Andrew Delamater, Paul Forlano, Yu Gao, Frank Grasso, Natalie Kacinik, Dan Kurylo, Laura Rabin, Anthony Sclafani, & Deborah Walder
