

Zicklin Summer Fellows Guidelines

1. Purpose

The purpose of the Zicklin Summer Fellows program is to provide students with access to internships and/or summer coursework that will develop new skill sets and enhance the likelihood of graduation. The program would make it possible for qualifying students to:

- Earn credit toward graduation by taking summer courses and/or
- Receive a stipend for participating in a credit bearing summer internship

2. Eligibility

Open to sophomores, juniors and seniors (special consideration to returning veterans and to students with learning or physical disabilities).

3. Funding Levels

\$400 - \$2,500

4. Deadline

March 13, 2014

5. Application Process

Complete online application at: <http://tinyurl.com/zicklinapp>

- Resume
- Transcript
- Essays

6. Awardees' Obligations

- Complete and submit final project report within 30 days of completion
- Make an oral presentation at the fall luncheon

7. Essays

- Choose an activity listed on your resume and describe in some detail what you did in that activity and how it had a significant impact on others and yourself. (150 word limit)
- What would you aspire to professionally, if you knew you couldn't fail? (250 word limit).
- What do you plan to do after graduation?

If applying for coursework please answer the following additional questions:

- How do you anticipate this course will impact your learning and overall success?
- What is your graduation plan?
- Describe your plan for achieving your academic goals/ achieving outcomes.

- What has prevented you from completing your coursework sooner?

If applying for an internship please answer the following additional questions:

- In approximately 100 words, describe the kinds of activities in which you would like to be involved during your internship and how these activities would relate to your career goal.
- Describe specific skills you would like to develop during your internship.
- In approximately 250 words describe one issue related to the field in which you wish to work. Include your personal views on this issue.

8. Review Process
