Sakai Workshop Series for Fall 2017

The Brooklyn College Library Office of Academic Information Technologies (AIT) is pleased to present this new series of hands-on technology workshops, designed to improve your technical skills and present some of the best practices in teaching and learning with Sakai.

We invite you to bring your course material—documents, images, video, audio, etc.

Each workshop is limited to 10 participants and reservations are required, please call (718) 951-4634. For more information, visit: http://ait.brooklyn.cuny.edu

- **A Tour of Sakai**
  Learn the basics of creating and developing a course on Sakai as well as similarities and differences between Blackboard and Sakai. Accounts will be open for all participants.
  
  **Date/Time:** Thursday, **September 7**, from 2:00 -3:00 PM  
  **Location:** Faculty Lab, Room 383 Library

- **Creating Assessments in Sakai and working with Gradebook**
  Learn how to create, administer, and grade assignments and online tests in Sakai as well as how to weight grade center items, and export the grade center to Excel.
  
  **Date/Time:** Wednesday, **October 18**, from 3:00-4:00 PM  
  **Location:** Faculty Lab, Room 383 Library

- **Sakai Q & A**
  Join AIT Staff in this open, free-form session to discuss your Sakai questions. If you will not be on campus for these Q & A sessions, we invited you to send your questions/problems/comments via e-mail to Carlos Cruz: carlosa@brooklyn.cuny.edu
  
  **Date/Time:** Wednesday, **November 15**, from 4:00-5:00 PM  
  **Location:** Faculty Lab, Room 383 Library
