

# *A Trip To Operatic Italy*

An Audio Visual Presentation by **Lou Barrella**

During the summer of 2009, Lou and his wife, Kathleen, made a long awaited trip to Italy. In addition to visiting some main cities, they went to the places important in the lives of Giuseppe Verdi and Giacomo Puccini. This presentation is a pictorial souvenir of that trip, accompanied by appropriate operatic music by these two great composers and the *canzone* of others celebrating these beautiful locations.
