Application for Scholarships: 2016

This application and all supporting materials must reach our office by **March 30, 2016**.

The Latin/Greek Institute has two modest funds from which it can grant partial tuition scholarships to exceptionally promising and needy candidates: the Floyd L. Moreland Scholarship Fund and the Christina M. Dunkle Memorial Fund. Assistance is granted for *partial* payment of tuition alone.

A third fund, the Hardy Hansen Prize, will award two stipends of \$500 each to support cost-of-living expenses during summer study at the LGI.

These awards are administered by the City University of New York but are made possible by private contributions from friends and previous students of the LGI. Since the funds are limited, only the most needy candidates are asked to apply.

Please read the attached *Checklist for Scholarship Applications* before filing this form. All applicants for financial aid must send a copy of both undergraduate and graduate transcripts. In addition, we must receive, under separate cover, a letter of recommendation from an instructor who knows the applicant well and can attest to the applicant's seriousness of purpose, ability to work under pressure, and ability to complete a project even under challenging conditions. A language instructor is preferable.

Checklist for Scholarship Applications:

1) Please ensure that the following materials are enclosed with your application:

- ☐ undergraduate transcripts (only if not already submitted with program application)
- ☐ graduate transcripts (only if not already submitted with program application)
- ☐ a detailed explanation of why financial aid is being sought and budget
- ☐ your application to the Latin/Greek Institute

2) Please ensure that a letter of recommendation is sent **by March 30, 2016** from an instructor, preferably of language, who knows you well and can attest to your abilities, seriousness, and resilience.

N.B. Please bear in mind that the very limited funds available for LGI partial tuition scholarships and cost-of-living stipends come from donations made by previous LGI students.

We ask that recipients of financial assistance consider repaying the LGI Scholarship Fund, in whole or in part, as soon as their financial situations improve. This will replenish the Fund so that others can benefit from it.

All students who receive financial assistance must submit a report to the Director at the conclusion of the program about their experience at the Latin/Greek Institute.

This application for financial aid must be accompanied by the application for admission to the Latin/Greek Institute (if it has not already been submitted). Both applications, with all materials and supporting documents, must reach the office by March 30, 2016. Incomplete applications will not be considered for financial aid.
