

# The Wolfe Institute

---

*The Ethyle R. Wolfe Institute for the Humanities,  
in cooperation with the Center for the Study of Brooklyn,  
present*

---

## Brooklyn Research Exchange

Join us for lunch to welcome visiting students and faculty from Montreal's Collège Ahuntsic conducting research on Brooklyn. We will discuss current research in and on Brooklyn, including its architectural history, gentrification in Williamsburg, urban farming, public art, and the relationships between Orthodox Jews and their neighbors.

The Center for the Study of Brooklyn is an interdisciplinary research hub that advances the understanding of Brooklyn's critical and cultural issues for the public good.
