## The True Cost: Who Pays the Price for our Clothing?

After reading about the 2013 Rana Plaza collapse in Dhaka, Bangladesh, director Andrew Morgan along with producer Micheal Ross, began investigating the labor behind “fast fashion.” Their most recent project, *The True Cost*, documents their journey around the world and into the lives of those suffering from harsh labor conditions. Morgan and Ross also expose the environmental damage caused by decrepit clothing factories.

Featuring prominent voices such as Stella McCartney, Livia Firth and Vandana Shiva, *The True Cost*, asks us to consider who really pays the price for our clothes?
