

Description of Ms. Wilson's Fourth Grade Math Class

Ms. Wilson has a fourth grade class in a K-6 Title I school ,designated as having 81% of students eligible for free lunch . The class is divided into three main parts: traditional , special needs and ELL's. There are 12 traditional students of varied abilities:7, level 3's, and 5 level 2's in Math . The 5 special needs students are all level 2's in Math , and the 10 ELL's are divided 4 level 2's, and 6 level 3's.Most of the ELL's are from Spanish speaking countries and all are still considered eligible for ESL services. The ELL's receive push- in services and it is considered an ICT class with another Special Ed Teacher, Ms. Ruebens . All of the special needs students receive extended time on standardized tests.
