Rationale:

Two curriculum documents affecting the M.S. degree program in Business Administration were passed by Faculty Council in March 2015 (Graduate CD 226) and April 2015 (Graduate 227). The text submitted in CD 227 did not incorporate changes made in CD 226, hence undoing those changes by implication. This document ratifies the changes made in the original CD 226 curriculum document.
