

## **English 101.57 and 101.60**

### **Library Research Handout**

For our next class (Friday, October 17):

- \_\_\_ Bring this handout, completed
- \_\_\_ Bring at least 5 index cards
- \_\_\_ Bring the *John Jay Rhetoric, Research and Strategies Handbook*

You should get familiar with how to look up and physically locate books and journal articles in the library. Gather the following information for the sources you find; you will need these pieces of information for each source in order to properly cite it in your paper. The information should be found on the copyright page of a book or journal, or in the information listed with a journal article on an online database.
