

Selected Scholarships for International Study and/or Research

In addition to the funding sources listed in alphabetical order below, students may use their financial aid packages, as well as apply for federally funded scholarships and tuition discounts offered by host institutions, study abroad organizations, and religious and secular organizations. Additional funding sources for international study can be found on links listed at the end of this document as well as on the Internet. Remember: You cannot receive a scholarship unless you apply.

* indicates CUNY- or Brooklyn College-administered scholarships

Boren (David L.) Scholarship & Fellowship Awards

- **What:** Boren Scholarships (undergraduates) and Fellowships (graduate students) provide unique funding opportunities for U.S. students to (1) study less commonly taught languages such as Arabic, Chinese, Korean, Portuguese, Russian, Swahili, Yoruba, and others; and, (2) study abroad in underrepresented areas in Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. (3) Additionally, there is a special initiative for undergraduate STEM (science, technology, engineering, and mathematics) majors. The scholarships fund up to \$8,000 for summer study (minimum of 8 weeks) for students majoring in the STEM fields. Recipients of a Boren Scholarship or Fellowship accept a service requirement to work for the federal government in the national security arena.
- **Amount:** \$8,000 Summer (STEM only); \$10,000 Semester; \$20,000 for 6-12 months.
- **Number of Awards:** Based on applicant pool.
- **Eligibility:** Students who plan to go abroad for two or more semesters. Preference given to students proposing a minimum of 6 months overseas. Summer-only programs of 8 weeks or more are limited to students in STEM (science, technology engineering and mathematics).
- **Deadline:** Prepare application in Fall for following summer, BC campus deadline is Jan. 1— Contact the Office of Scholarships.
- **For more information/application:**
