

Summer 2021 Registration Information

Summer registration will begin on March 16th. No registration appointments are needed for Summer. Students will be able to register as early as 12:01AM on Tuesday, March 16. ***In order to ensure that you get a seat in a class, it is extremely important that you register as soon as possible.*** There will be no set enrollment appointments. This applies to both undergraduate and graduate students. If you wait, you may find that the classes you want have been closed or cancelled due to low enrollment. Please register early! Overtallies will not be given.

Classes offered during the summer are very intense, however with dedication; the motivated student has an opportunity to accumulate credits in a very short time.

It is highly recommended that majors see a Deputy Chair each semester to plan out their schedule for the next semester. Do this BEFORE registration begins.

If you are anticipating needing permission for a course, please come now! DO not wait until the pre-registration rush.

Students who may need Financial Aid for the Summer, should consult with the Office of Financial Aid prior to registering. The CIS department cannot offer any advice regarding eligibility for financial aid.

You may meet with the advisors during their office hours or make an appointment via email.

- Undergraduate Day Deputy Chair – Professor Ira Rudowsky – Rudowsky@brooklyn.cuny.edu
- Undergraduate Evening Deputy Chair – Professor Joseph Thurm – thurm@sci.brooklyn.cuny.edu
- Graduate Deputy Chair – Professor Jim Cox – cox@sci.brooklyn.cuny.edu
- Director of BS in Information Systems – Professor Ira Rudowsky – rudowsky@brooklyn.cuny.edu

When contacting an advisor be sure to include copy of your Brooklyn College Transcript (available from CUNYFirst). We do not use DegreeWorks when advising students.

IMPORTANT NOTE: For pedagogical reasons, some instructors will require all students to have their cameras on during both lectures and examinations. Face-to-face teaching is the only way to have an effective learning process. Students who do not wish to use their cameras should choose another section. If on any given day, there is a reason why you cannot turn your camera on, you will need to contact the instructor in advance.

Instructors who require cameras will have the following listed on the CUNYFirst schedule:

Cameras will be required. For accommodation contact the instructor

1. In order to assist you in long term planning, a *tentative* schedule for the next three years is posted at

<http://www.brooklyn.cuny.edu/web/academics/schools/naturalsciences/departments/computers/undergraduate/three-year-schedule.php>. This schedule is subject to enrollments.

2. Flowcharts for the majors as well as our Advice to Undergraduates brochures are available online at <http://www.brooklyn.cuny.edu/web/academics/schools/naturalsciences/departments/computers/undergraduate/advice.php>
3. Flowcharts for the majors as well as our Advice to Graduate brochures are available online at <http://www.brooklyn.cuny.edu/web/academics/schools/naturalsciences/departments/computers/graduate/advice.php>
4. **Undergraduate** classes being offered in the Summer include: CISC 1050, CISC 1115 (running over both semesters), CISC 1115 (Second Summer Session), CISC 1170, CISC 1530, CISC 1590, CSIC 1600, CISC 2210, CISC 2531, CISC 2810W, CISC 3115 (running over both semesters), CISC 3130, CISC 3140, CISC 3810, and CISC 4900. **Classes generally need a minimum of 12 students in order to run.**
5. **Graduate** courses being offered in the Summer include: CISC 7980X.
6. Students who have been accepted into the **CUNY 2x Internship**, will be sent a schedule for the pre-internship interviews, pre-internship seminar and will be given permission to enroll in a special section of CISC 4900.
7. You are welcome to visit our departmental website for all sorts of good stuff at: <http://www.brooklyn.cuny.edu/web/academics/schools/naturalsciences/departments/computers.php> . You will be able to link to the other items from this page.
8. You can also join the CIS department email list by clicking on the following link to get regular email about courses, jobs and other information of interest to CIS students: <http://www.sci.brooklyn.cuny.edu/cis/majordomo?cistalk>
