

THE BROOKLYN COLLEGE ENGINEERING CLUB

We will be providing an in-depth review session for the

ELEMENTARY DIFFERENTIAL
EQUATIONS

course

Join us for a group tutoring session with BC alumni,
Aaron Hertz!

Aaron Hertz is an experienced tutor with a history of tutoring both at BC's tutoring center as well as privately. Aaron is majoring in Physics here at BC.

Aaron's experiences tutoring range from pre-calculus to ordinary differential equations. He took math 2206 with the math departments chair Stephen Preston.

Need help with
Differential
Equations?

We can help!

WHERE:

Ingersoll Hall
Room 3428

WHEN:

March 18

5:00-6:30
