

Spring 2018

**The Philosophy Department Presents:
Weekly Brain Twister Series**

There will be a new logic puzzle challenge for you every week.

You can pick up the handout with the weekly puzzle in the Philosophy department (3308 Boylan Hall) from one of the office staff members.

The submission details and deadline will be stated on the handout.

The top five students that solve the highest number of brain twisters throughout the semester will win prizes and a pizza party at the end of the semester.
