

PHIL 3123 20TH CENTURY PHILOSOPHY

Class Number 18175 Section MW9

Mon, Wed 9:30 – 10:45 AM

Instructor: Samir Chopra

Email: schopra@brooklyn.cuny.edu

This course will serve as an introduction to central themes—logic, idealism, empiricism, metaphysics, existentialism among others—in the twentieth-century’s analytic, post-analytic (or neo-pragmatic), and continental traditions. The philosophers we will read and discuss include: Husserl, Dewey, Du Bois, Russell, Moore, Heidegger, Wittgenstein, Ayer, Gadamer, Sartre, de Beauvoir, Austin, Davidson, Foucault, Derrida, Rorty, Rawls, and MacIntyre.
