Course code: 18180  
3 credits**

**Description:**

**This is a philosophy course that focuses on the study and application of ethics in relationships. The course will begin by exploring students' personal ethical principles, in regard to their own existing relationships. We will examine both the positive and negative qualities/characteristics that are present in these relationships and what makes these relationships successful or not. We will then evaluate moral obligations to oneself, family, friends, etc. Some topics that will be discussed are: friendship, marriage, divorce, love and sex, parent-child relationships, lying, cheating, etc.**
