SOCIAL H UR

On Tuesday, October 15th, 2019

From 12:30 – 2:00 PM

3305 Boylan Hall

With Christina Weinbaum

Topic:

**Phenomenology in Music:
An Epistemological Investigation**

Can we ever “know” music? How can we “know” music? In this Social Hour presentation, Professor Weinbaum will argue that the most promising way by which to “know” and understand an artist’s music is to experience and participate in live musical performance. She will discuss anecdotes from both musicians and avid show goers.

Come to Social Hour to ask questions and discuss philosophical issues in a relaxed environment!

Snacks and drinks will be provided!
