

PHILOSOPHY DEPARTMENT PRESENTS

SOCIAL HUR

Come to Social Hour to ask questions and discuss philosophical issues in a relaxed setting. The event will take place in 3305 Boylan Hall! Snacks will be provided.

On Tuesday December 3rd 2019
From 12:30 to 2:00
3305 Boylan Hall
With Johnny Han
Topic:
Cinema, the Time-Image

Cinema and photography are intimately related art forms. As Jean-Luc Godard once said: "If photography is truth, cinema is truth 24 times a second." However upon a close examination, cinema seems antithetical to photography. The former requires temporal duration, and the latter suspends time. In this social hour, philosophy major Johnny Han will be discussing the significance of time in the art of cinema and photography, as well as the act of seeing in relation to the act of reading. The event will include the screening of Hollis Frampton's "(nostalgia)" followed by another short made by the speaker "Where Words Fail..." which is directly inspired by the Frampton film.
