POLITICAL PARTIES

Enrolling in a political party is optional. However, if you wish to vote in a political party's primary elections, you must enroll in that political party. A change of enrollment received up until February 14 each year will be effective immediately. Changes received on or after February 15 until seven days after the June primary will be set aside and opened the seventh day following the June primary and entered in the voter's registration record.

HOW DO I REGISTER?

Registering to vote is easy to do.

The City University of New York makes voter registration forms available to all CUNY students when they register for classes and through voter registration events.

Also, the NYS voter registration form is available through your CUNYfirst account. It's a personalized form that you can mail in yourself. You don't even need a stamp. It's as simple as that.

Ask about voter registration and the collection of application forms at your campus.
