BCETSP Summary:

Mission Statement: To inform, equip, and support the self-actualization of our students' academic potential.

Under the current grant, the BCETSP is designed to supplement the academic instruction and college readiness exposure of enrolled participants at partner target schools. To accomplish these objectives, BCETSP offers several services.

Our most direct, service comes from having three full-time Pre College Counselors. Each counselor makes weekly visits to assigned schools to engage enrolled students in academic and social counseling sessions. From these sessions, students are referred to activities hosted by BCETSP or partner community based organizations (CBOs). Such activities include Academic Tutorials, SAT Preparation Courses, College Visits, College Application Assistance, FAFSA Workshops/Assistance, and College Preparation Workshops.

BCETSP has formed partnerships with the following Brooklyn College Departments/Programs: The SEEK Program, Division of Student Affairs, Honors College, Black and Latino Male Initiative (BLMI), Center for Achievement in Science Education (CASE), Science Technology Engineering Program (STEP), Center for Academic Advisement and Student Success (CAASS), MAGNER Center, and Admissions. Community Partners consist of SUNY Downstate Medical Center, Alpha Phi Alpha, and CAMBA.
