

THE NURSING CAREERS PROJECT 2013

This program offers students an in-depth look at the various career paths available in the field of nursing. Beyond a typical career day presentation, students will be engaged in discussions on the historical rise of the nurse profession, hands-on simulations of tasks performed by nurses, and mentorship opportunities from professionals in the field.

To participate, ETS students will be excused from school on Tuesday, March 18, 2014, from 8:30a.m. – 2:30p.m.

The presentation will take place at SUNY Downstate Medical Center during school hours. Students will be required to meet at Brooklyn College and return to Brooklyn College for dismissal.

The below registration form must be returned to the Brooklyn College Educational Talent Search Program by Friday, March 7, 2014
