CUNY EDGE Student Highlight

This month we would like to recognize our very own Sharda Sales on graduating! Sharda has been a wonderful presence around the CUNY EDGE office and has been an ambitious student in class. She graduated with not one, not two, but THREE employment offers! Congratulations Sharda, we're very proud of you!

Workshop Highlights!

This month we are highlighting what students have to say about The Eviction Prevention and Tenant's Rights workshop!

The Eviction Prevention and Tenant's Rights CUNY Edge workshop was very informative. The presenters were very organized and direct.

"This meeting has instructed me on how not to feel intimidated, when housing issues arise."

The many issues, inquires New York City residents struggle with and mostly suppress. Thanks to the CUNY EDGE workshop awareness has been brought to the table. What is most significant is knowing that I am protected. There are housing laws that work in my favor as a renter. This meeting has instructed me on how not to feel intimidated, when housing issues arise.

"Thanks to the workshop I am seeking further engagements with, The Flatbush Tenant Association."

I know now there is aid available and I have a voice. Thanks to the workshop I am seeking further engagements with, The Flatbush Tenant Association.
