For more information, visit the Office of the Vice President for Student Affairs in 2113 Boylan Hall or email studentaffairs@brooklyn.cuny.edu.

Student Activities Central (SAC), located in room 302 of the Student Center, recognizes the importance of supporting the activities of our students and providing you with proper advisement, program development and opportunities for personal and academic growth.

Central Depository (CD), located in SAC, is responsible for the receipt, distribution and accounting of all student activity fees and revenues generated by the activities funded through those fees. Central Depository, as well as all student organizations, must recognize and adhere to the bylaws and the fiscal rules and regulations of the Brooklyn College Fiscal Accountability Guidelines, and the City University of New York (CUNY) Fiscal Handbook for the Control and Accountability of Student Activity Fees.

Your Club/Organization Liaisons will guide you through the planning and implementation of club activities. Each currently registered club will be assigned a Liaison on an annual basis and may be subject to change as per D.O.S.A./College priorities. Club listings and assigned Liaisons may be found in Central Depository.

COMMON HOURS:

Clubs and organizations are encouraged to host community-building activities and educational programs during common hours when most classes are not in session. The campus community also uses common hours to hold departmental and business meetings, sponsor lectures, or hold social events. Students who are not scheduled for classes may visit Student Activities Central for information regarding the actively registered clubs and campus activities. DAY Common Hours are Tuesdays from 12:15–2:15 p.m. A flexible common hour is held on Thursdays at the same time. Classes may also be in session at that time.

CENTRAL DEPOSITORY

SERVICES PROVIDED FOR STUDENT CLUBS AND ORGANIZATIONS

Central Depository (CD) is responsible for performing a number of functions, including maintaining records/information of the Brooklyn College Association (BCA). It is located in room 302 of the Student Center.

Club/Organization Registration:

All clubs/organizations must register with CD before any student activity fee money can be requested. Registration information and packets can be picked up, completed, and returned to CD. Additional information on renewing your club's registration is on page 10 of this handbook.

Budgets:

Student Government, referendum organizations, and all club/organization budgets are presented to the BCA for approval in the Spring semester. These budget approvals are for the coming fiscal year. Student Governments advertise dates for clubs/organizations to present budgets for review and then approved budgets are included in their overall budget for BCA approval.

Constitutions:

All clubs/organizations must have their constitutions or any amendments to their constitutions reviewed and approved by their respective Student Government. A copy must be dated, signed and filed in CD. Model constitutions are also available in CD for students who want to start a new club/organization.

Equipment:

Equipment is defined as any asset with a useful life of at least two years and a cost or value at time of receipt of \$100.00 or more. If you want to purchase an item with a price of up to \$1,250.00 you need to complete a purchase order form. This form is used to obtain an invoice from the vendor and to let the vendor know that your organization can pay for the item. The processing time in CD is approximately three (3) business days.

If you want to purchase items valued MORE than \$1250.00 BCA approval is required. The average processing time is six weeks. To confirm receipt of goods all purchases are received in CD. The CD office contacts the student organization as soon as the order is received to confirm receipt of goods. Equipment remains as inventory of the student organization and CD must be notified of any transfer of equipment.

Mailroom:

The use of mailroom facilities is restricted to currently registered clubs/organizations. Intra-College mailings (10 or more pieces) must be sorted and the return address/sponsoring organization is required on the envelope. External mail will be facilitated by CD and requires budget approval.

STUDENT GOVERNANCE

Student leaders have an important role in creating and implementing policies that affect the College community. Your elected Student Governments serve as representatives of the students to the faculty and administration within the College. All students are encouraged to contact their respective Student Government representatives and get involved in campus student life.

STUDENT GOVERNMENTS (SG) AT BROOKLYN COLLEGE

There are three Student Government organizations at the college: the College of Liberal Arts and Sciences (CLAS, day students), the School of General Studies (SGS, registered as evening students) and the Graduate Students Organization (GSO). Each Brooklyn College student has a Student Government that represents their interests in reviewing, developing and modifying college policies.

Each SG is funded by the student fees that students pay each time they register for classes. Elections are held annually; any matriculated student who meets the qualifications may seek office. Meetings of the organizations are open to all students. These organizations also sponsor and fund student clubs for their annual activities. The CLAS Student Government is divided into three branches: Executive (President and Vice President), Legislative (29 representatives) and Judiciary (three judges).

Contact information for your SG can be found in CD.

STUDENT ACTIVITY FEES

This fee covers Student Government, the Student Center and various student activities such as student newspapers and Student Center events among many others. Please contact CD for the list of the latest fees as approved by the Board of Trustees.

- 7) Any information specific to the payment being made should be indicated on the payment request; i.e. invoice number of bill, date of function, pay period, volume of publication, etc.

- 8) Deposits for organization functions must be made by check from the club account; not from an individual.
- 9) All receipts **MUST** have the name of the business from which the purchases were made. Generic receipts are not acceptable. Receipts must have the vendor's name or stamp.

Reminder: Each travel opportunity is unique and should be discussed with your Club Liaison as international and domestic travel must also be approved by senior college officials.

Keep in mind that there are many requirements for travel proposals including how to advertise and funding. Your Liaison will provide guidance as you prepare your proposal.

GETTING STARTED:

RENEWING YOUR CLUB'S/ORGANIZATION'S REGISTRATION

All clubs/organizations must be registered with CD before any student activity fee money can be requested. Executive Officers must be currently enrolled students in good standing. Other requirements may apply depending on organization and position. Registration information and packets can be picked up, completed, and returned to CD. All elected officers, including the President and the Treasurer, must attend an Executive Training and Event Planning and Implementation session, as they are vital parts of the registration process.

HOW TO START A CLUB/ORGANIZATION

There are several rules and regulations that need to be followed by any student interested in starting a new club/organization on the Brooklyn College campus. These guidelines should provide the necessary information in order to get started.

Visit Student Activities Central in room 302, Student Center, and review the list of clubs/organization already chartered. If the club/organization was previously chartered, you can obtain a copy of the chartered constitution. If there is no chartered constitution you will need to petition for charter.

To **petition for charter**³, you must collect the signatures of at least 25 currently enrolled Brooklyn College students who are committed to becoming members and who will participate in the election for the executive board.

You must **develop a constitution**⁴ and present the petition for charter and constitution to the respective Student Government President (S.G.S., C.L.A.S., or G.S.O.) on the third floor of the Student Center. Student Government has the right to reject the constitution. A copy of the chartered constitution must also be filed with CD.

Your club's/organization's **election must be advertised** in the College Calendar, one of the student newspapers, Brooklyn College News Network (BCNN) or on the Student Club Web Page (visit Student Activities Central for more information) at least one week prior to the election date. The ad is free if it is placed in "The Calendar of Events" section of the newspaper. You must schedule a meeting with your Liaison to reserve a room for your election.

³ Petition for Charter can be picked up in Student Activities Central, 302 Student Center

⁴ Sample constitution can be picked up in Student Activities Central.

GREEK LIFE

Brooklyn College is host to an active community of Greek Lettered Organizations (GLO) which are another avenue through which students can become connected to the campus and take an active role in Student Life. These registered fraternities and sororities each have different histories and missions while taking an active role in many campus-wide and community events.

Greek Life is governed by the Greek Council, made up of representatives from each registered GLO. The Greek Council is overseen by CLAS Student Government. Students interested in starting a GLO must draft a Constitution and present it to CLAS Student Government in order to become chartered.

TRAINING FOR STUDENT LEADERS: EXECUTIVE TRAINING AND EVENT PLANNING AND IMPLEMENTATION

Enrolled Brooklyn College students that are executive officers must **attend an Executive Training and Event Planning and Implementation session**. At Executive Training you will be introduced to the fiscal rules and regulations, procedures for requesting space for programs, and general student activity information. Executive Training sessions are advertised in the College Calendar, in the Student Center, CD, student newspapers, and on BCNN. You may be asked to attend additional Executive Training sessions regarding event management, conflict resolution, intercultural exchange and diversity during your academic career at Brooklyn College as new information may be introduced.

A **club/organization registration packet** that provides a recording sheet for attendance, minutes, membership, registration card and registration forms can be obtained in Student Activities Central. The completed registration packet must be submitted to the Registration and Communications Assistant in CD. After receiving Executive Training, the club/organization President and Treasurer must sign a signature card in front of a Student Activities Central staff member. For more information please contact your Liaison (list of assigned Liaisons is available in CD).

You may request a grant to **fund your new club** from the respective budget allocating bodies - C.L.A.S. Student Government, S.G.S. Student Government, or Graduate Student Organization. If your club/organization requires additional funding during the semester, a request for a grant may be submitted to your allocating body. CD can assist you with the preparation of your budget. Additionally, clubs that are deemed academic in nature will be funded by ACA – clubs cannot receive funding from both ACA and CLAS.

Club/organization **budgets** for the following year will be presented to the respective Student Government in the spring for review and approval. Student Government notifies clubs/organizations on when and where to submit their budget requests. Please contact your Student Government for more details. Members of the Academic Club Association may go to 307/8 Student Center.

Each student club/organization must be **chartered** by a respective Student Government. Please review the list of currently chartered clubs in CD as creating a new club will entail considerable involvement and activity. (There are approximately 260 clubs chartered at BC.) The duration between chartering and funding may vary considerably.

A **committee** is a registered group that promotes a specific program or activity, which can last for one day, one week, or one month. **Although a committee contains some characteristics of a club, it is not a club.** After completion of the committee's event, student activity fees obtained for the event should be returned to the group(s) that funded the event, or used to co-sponsor other **related** events; however non student activity fees can be transferred to other clubs/committees. Please note that a committee must also file its mission statement with CD and have a constitution on file with Student Government.

HELPFUL TIPS FOR EXECUTIVE OFFICERS

One of your most important jobs as an executive officer is to ensure your members are engaged. By doing so, you will retain them as well as foster teamwork and group morale. Here are some suggestions.

INTRODUCTIONS

Start by introducing yourself. Have each member introduce herself/himself, telling why she or he is interested in this group and giving a little background of her or his experience (if it's appropriate). Appoint a member or committee to meet, greet, and recruit new members.

NEW MEMBERS/ABSENT MEMBERS

Be sure to recognize new members at each meeting. Part of the purpose of knowing your club membership is to have follow-up when members are absent. Take attendance at each meeting. Have your membership point person or committee reach out to those who did not attend to say something like: "Sorry you missed our meeting; we discussed/worked on the following ... " If a member has missed several meetings, make a special effort to find out why.

GOALS AND PROGRAMMING

Your club/organization must have goals to accomplish during the year such as: membership goals, service projects, or social activities. The club/organization President alone should not decide what these goals should be. The President should encourage the group to form its own objectives after briefing members on what the club/organization has accomplished in the past.

Your annual programming should revolve around the established goals. Executive board, members and Liaison should meet to arrange programs for the entire academic year. A plan can be discussed early on and activities for the year will prove meaningful and will have a better chance of success.

Keep your membership motivated by registering for a table at Club Fair, volunteering on campus or in the community and participating in Civic Engagement activities.

NEED MEETING SPACE⁵?

WEB CLUB COMPLEX houses some of the currently registered clubs/organizations. The offices are small rooms for business meetings. Clubs/organizations not registered are informed that the space will be repaired and re-distributed when club is not active. Keys for club/organization spaces on campus are returned at the end of the academic year and new locks are installed. See your Liaison for any additional information.

SPACE FOR MEETINGS ON CAMPUS: All registered clubs/organizations must present requests, including program goals and expected outcomes to your Liaison. Forms are available from your Liaison for room requests and with the Student Center Director for any other requests (quad, etc.).

⁵ Note that each proposed activity will be reviewed and discussed with the Division of Student Affairs, administration, Liaisons and other college officials as necessary.

WHAT MAKES FOR A SUCCESSFUL CLUB OR ORGANIZATION?

GOALS

Groups that fail to have clear goals frequently elicit little interest from members which can lead to mediocre activities. Work with the executive officers and your membership to establish short-term (monthly) and long-term (annual) goals. Discuss these goals with your Liaison at the start of each academic year. Remember that goals and decisions made by the group are more likely to be supported and carried out.

CONTINUITY

There must be continuity in the activities of the organization between meetings. This can be accomplished with careful planning before the fall semester starts. Between meetings there should be follow-up work for the members, for example event committees, posting notices, recruiting members, etc. Keep your own members and others engaged throughout the year.

MEETINGS

The executive officers must be prepared and organized prior to each meeting, especially the first one of the year. Provide a list of meeting dates in advance and prepare a printed agenda to distribute. Ensure you have quorum at meetings when voting on decisions. Minutes recording the attendance, decisions, action steps and assignments discussed at the meeting must be available and kept for documentation and assessment purposes. Consult with your Liaison for recommendations on storing your documents.

GUIDANCE AND ADVISEMENT

Executive officers should use all available resources including, your Liaison. Ask for his/her input and combine it with your members' ideas. Meet regularly with your Liaison to review goals and plans for the year. Your club's/organization's members are another great resource and can provide ideas to help achieve established goals. The executive board should make recommendations to the group based on feedback from all members.

MEMBERSHIP PARTICIPATION

Clearly define what the expectations are of club/organization members. Encourage your members to assume projects related to service on the campus and in the community. All members should have the opportunity to speak and express their ideas. Appoint each member to a committee or give them some special responsibility at least once during the semester. See that the entire group has the opportunity to make decisions about plans and help solve problems.

CO-SPONSORSHIPS

Co-Sponsorships should be clearly defined, be mutually beneficial and help the club/organization reach its goals. Consult with your Liaison prior to seeking co-sponsors or agreeing to co-sponsor.

Remember - A college students' major commitment is to their academic work. All members must be encouraged to balance their co-curricular life and their academics.

PRIVILEGES OF A REGISTERED STUDENT CLUB/ORGANIZATION

All student clubs/organizations must be registered in CD in order to obtain the following benefits and privileges. To assist continuing clubs/organizations in meeting the club registration deadline, a room in the Student Center can be reserved for a meeting to plan for the following⁶:

- 1) Meet your Liaison and obtain resource materials;
- 2) Plan to participate in Fall Club Fair;
- 3) Prepare to submit request for funds from Student Government;
- 4) Recruitment of students interested in joining your organization;
- 5) Plan for use of campus facilities for meetings and functions;
- 6) Prepare to participate in official College events, such as Orientation;
- 7) Obtain campus mailings from Student Activities Central;
- 8) Discuss creation of a student organization web page that is linked to the web page of Student Activities Central.

ADVISORS:

It is recommended that student organizations have a faculty or full time staff (not a member of DOSA) as a club/organization advisor. A graduate assistant should not be asked to serve as the official advisor for a student club/organization but may serve as a resource. Also, advisors should not advise more than one student club/organization. Advisors may:

- 1) Become familiar with the events and activities sponsored by the club/organization. When possible attend the student club's/organization's meetings.
- 2) Provide advice and counsel by sharing expertise, insights, and making recommendations when appropriate.
- 3) Provide academic orientation and guidance to club/organization student leaders.

A LIAISON:

Your D.O.S.A. club/organization Liaison will:

- 1) Assist the organization to function in accordance with its mission as stated in the club's/organization's constitution.
- 2) Help prevent any violations of student organization or college policies.

EXPECTATIONS AND STANDARDS FOR CLUBS AND ORGANIZATIONS

Establishment of, and membership in a student club/organization provides members a number of rights, opportunities, and benefits; however, there are a number of expectations and standards which the club/organization and its members must uphold. In addition to the expectations and standards

⁶ Note a maximum of two time slots will be allotted for this purpose

listed below, student clubs/organizations must abide by all student organization policies listed in the Student Handbook and Event Planning and Implementation (EPI) Handbook.

Expectations

- 1) Uphold the ideals and standards of the mission of Brooklyn College;
- 2) Maintain an active, worthwhile student-centered program;
- 3) Elect officers who meet organizational and college standards;
- 4) Manage financial matters ethically;
- 5) Recruit and use your advisor;
- 6) Meet and plan with your Liaison;
- 7) Keep your Liaison informed of all meetings, events, and business of the organization;
- 8) File updates on officers and advisor(s) with CD.

Standards

Student organizations at Brooklyn College exist to:

- 1) Provide opportunities for high academic achievement;
- 2) Provide opportunities for respectful discourse and civic events;
- 3) Provide opportunities for personal development through leadership positions, self-awareness programming, and regular social events;
- 4) Provide ways to serve others through community service and campus outreach projects;
- 5) Promote Brooklyn College through active participation in college events and positive relationships with other clubs/organizations;
- 6) Develop a clear definition of goals and ideals, and educate members on the group's identity;
- 7) Pass the torch – Prepare for transition and leave a positive legacy to the new generation of student leaders.

HAZING

Brooklyn College has a zero tolerance policy for hazing. All Brooklyn College students — including students who are not members of a fraternity or sorority — found to be in violation of Brooklyn College and university rules, regulations and policies will be subject to disciplinary action, up to and including expulsion from Brooklyn College and/or criminal prosecution.

All members of the Brooklyn College community are responsible for ensuring that Brooklyn College remains free from hazing. Student organizations found to be engaged in hazing activity may have their charters permanently revoked.

The full Brooklyn College statement on Hazing can be found online at:

<http://www.brooklyn.cuny.edu/web/about/initiatives/policies/hazing.php>

STUDENT EVENT PLANNING – EVENT TYPES AND PROCEDURES:

The following are the various types of events generally held on campus. To determine the required procedure for each, discuss with your Liaison and review relevant sections in the EPI.

SMALL EVENTS: CLUB MEETINGS AND SOCIAL ACTIVITIES (BC COMMUNITY ONLY-NOT OPEN TO THE PUBLIC):

- 1) These include routine club membership organizational meetings or social activities.
- 2) Completed Event Request Forms should be submitted three (3) weeks prior to the event date⁷.

LARGE, SPECIAL OR MAJOR EVENTS:

- 1) Reservation requests must be submitted a minimum of four (4) weeks prior to the event date.
- 2) All necessary details must be finalized two (2) weeks prior to the event date. This includes obtaining all necessary permits and signatures of approval as required, as well as, ordering food, determining security needs and confirmation of event title and speakers/performers. Failure to provide completed information may result in the cancellation of the event.

LATE NIGHT EVENTS:

Requests for events whose scheduled ending time is after Student Center regular hours must be submitted a minimum of four (4) weeks prior to the event date.

QUAD EVENTS:

- 1) Requests for events on the Quad require five (5) to eight (8) weeks lead time as these events necessitate wide campus coordination and alternate rain date location will need to be scheduled.
- 2) Each club/organization may request permission for one central quad and one west quad event per semester.

CONCERTS AND LARGE ENTERTAINMENT EVENTS:

Requests for Concerts or Large Entertainment Events must be submitted a minimum of eight (8) weeks prior to the event date.

⁷ Liaisons, in the case of small events, have the ability to waive the deadline when appropriate.

PROCEDURE TO DETERMINE IF A STUDENT CLUB HOSTED EVENT IS CLASSIFIED AS LARGE, SPECIAL OR MAJOR:

In consultation with Student Center Director, Student Engagement Director, Liaison, Student Government Representative, Student Club Representatives, Central Depository Representative, VP for Student Affairs or designee and any other partners as appropriate a determination will be made considering the following established criteria:

LARGE EVENT:

If a student club hosted event is an activity intended for an audience outside of the Brooklyn College community, it will be classified as a large event.

In addition, the “Large Event” will be reviewed against the following criteria to determine if it is major, special or both by the administrations Campus Event Screening Committee.

SPECIAL EVENT:

If an outside speaker/performer has been invited to an event, it will be classified as special.

MAJOR EVENT:

If an event has the potential to generate significant media coverage, may present a unique security risk, and/or is likely to significantly impact daily campus activity it will be reviewed by the administrative campus event Screening Committee and will be classified as major. **Major events will require that the RSVP/Eventbrite system be utilized.**

RSVP/Eventbrite – Major events must use the Eventbrite/RSVP system while special and other events may be required to implement an RSVP system on a case by case basis, as determined by the college administration.⁸

Campus Safety and Security – Public Safety will determine the necessary safety and security needs for campus events designated as major/special events.⁹

Communications – All media must be referred to the Office of Communications and Marketing in accordance with the College’s Media Policy.¹⁰

⁸ The system is managed by Student Affairs and a Student Affairs staff member will administer the system prior to and during the event. The RSVP/Eventbrite system will reflect an emphasis on BC students and the number for the cohorts (BC and non BC) will be decided accordingly. In addition, Time, Place and Manner will be considered and may impact site/location of the proposed event. BC students may be offered priority and special admission on an event by event basis. A Student Center Official Guest List Form or another RSVP (other than Eventbrite) system may be utilized in special cases as determined by the College administration.

⁹ Note that in the past parties and other large campus social events as well as those designated as major/special events have required the use of metal detectors upon entry to the event location. Bracelets to track the number of guests may be necessary when space is limited or other events are being held in the same location.

¹⁰ The official announcement of a major event will be reviewed by the liaison at least two weeks prior to allowing public announcements on Facebook or any other social media as well as on flyers and other public venues posting event information for accuracy including time, location, etc. A disclaimer (see pg. 68) must appear on all major/special events indicating that a college recognized entity sponsoring or supporting the event does not imply endorsement of the views expressed at the event.

PLANNING WITH YOUR LIAISON: BEGIN WITH THE WELLNESS WHEEL

Programming at Brooklyn College follows a wellness model called the Six Dimensions of Wellness (developed by Dr. Bill Hettler, MD, Cofounder, National Wellness Institute). All six dimensions (shown in the graphic) are interconnected and affect one another.

This wellness model provides a template for a balanced and holistic approach to event planning on campus which will help you to actively engage fellow students as well as build a strong campus community.

Your Liaison will meet with you by appointment to help you plan your club events and answer any questions regarding paperwork/formalities. Every aspect of your prospective event (such as entertainment, refreshments, facilities, budget, etc.) will be discussed with you to help your event be a success.

TIPS AND TOOLS

- ***Begin early: at least four (4) weeks ahead is required for most events!*** Planning in advance and ironing out the details is the key to a successful event. With your executive board and club/organization members make a list of all aspects needed for your event and discuss with your Liaison. Make sure to follow-up on each aspect and confirm any room reservations, refreshment delivery, invited guests, speakers, and/or RSVPs, etc.
- ***Be sure there are sufficient funds available for the event!*** To avoid any problems or delays, submit budgets, line and program changes, and contracts as specified by Central Depository. All preparations for the event must be complete and all contracts, purchase requisitions, etc. must be filed in CD at least **2 weeks before the event**.
- ***Timing of the event...***All events must be held during the academic year. Club/organization events are not held while classes are not in session. Please note that all student events are open to the entire Brooklyn College community and are subject to review, availability and appropriateness. During the adjusted summer/intercession schedule, club events/activities may not be held in the Student Center.
- ***Security...***Security for a College event, held on College premises, is under the control and supervision of Brooklyn College's Public Safety Department. The President of Brooklyn College, through his/her designee, the Director of Security, must approve any special security arrangements in advance. All major events require a safety assessment as a condition of approval to determine the number of public safety officers necessary. Any club/organization planning a major event must allocate sufficient financial resources to pay for the appropriate number of public safety officers.
- ***Canceling an Event...*** If you decide to cancel your club/organization meeting or event after you have scheduled a room, notify your Liaison immediately. As it pertains to the Student Center, failure to comply with this request will affect your club's/organization's standing and ability to reserve facilities/equipment in the future. Cancellations made less than 24 hours in advance may result in a fee of \$50.
- ***Media Access...***See guidelines on page 49.

HOW DO I EFFECTIVELY MANAGE MY EVENT? FOLLOW THE TIMELINE!

Each event will be assigned a staff member to act as the responsible authority to resolve any issues. The responsible authority for **small events** will be the Liaison or a designated Student Center staff member. The responsible authority for all other types of events will be decided as part of the planning process by the College administration.

The following guidelines will help you in managing **large, special or major club events**. Use a separate Event Planning and Management Worksheet provided on pages 34 - 37 for each event.

Note: Failure to provide required information or adhere to the stated timelines may result in the cancellation of your event.

Before The Event (Approval must be obtained at least 4 weeks prior to event date, except for small¹² events which need 3 weeks prior)

- 1) **Meet with your Liaison to discuss goals, resources, logistics and assessment four (4) weeks prior to the preferred date.** You must be accompanied by at least one additional Brooklyn College currently enrolled student who is an executive board member.
 - a. **Goals...** Establish goals for your event in consultation with your Liaison and club members. Your goals must relate back to at least one of the dimensions in the wellness wheel.
 - b. **Resources...** Create a proposal indicating everything you will need to reach the event goals, including a detailed budget.
 - c. **Logistics...** Provide a projected program for your event with space needs, vendors, speakers, performers, and special guests (College President, Elected Officials, etc). If you delegate tasks to other club members, remember to follow up and make sure that all details are in order (e.g., room/equipment reservations, publicity, food orders, etc.)
 - d. **Assessment...** Indicate the method you will use to prove you achieved your goals. Examples include surveys, focus groups, attendance sheets or other feedback methods.
- 2) **Develop a communication and outreach plan.**
 - a. **Be creative and plan ahead!** Work with your Liaison and the Advisor (if appropriate) to announce and promote the event.
 - b. **Share guidelines with members.** Make sure that you and your membership are informed of all the guidelines and deadlines that apply to your event (e.g., security procedures, room rules, entry to the campus rules, posting guidelines for bulletin boards).
 - c. **Send a consistent message.** The essential information shared about your event should be the same from start to finish, including title, date, time and purpose.
- 3) **Notify vendors/performers of delivery procedures & make proper arrangements.**
 - a. **Food deliveries:** A list of caterers currently allowed to deliver food inside the Student Center and set-up in the scheduled room(s) is available from the Student Center Director or CD.

¹² Liaisons, in the case of small events, have the ability to waive the deadline when appropriate.

- b. **Band or DJ equipment arrival & departure:** Bands/DJs must use the East Gate entrance for loading and unloading equipment.
- c. **Performers/Speakers:** The names of any non-Brooklyn College performers must be provided as part of your guest list for the event. Performers/speakers should provide a description of their performance/lecture and a list of any equipment they will bring with them. Additional requirements may be needed – consult with your Liaison.

4) Guests (non-Brooklyn College)¹³:

- a. **Guest List:** When a guest list is utilized you must submit a final list with the names, in alphabetical order by last name, directly to your Liaison at least three (3) business days before your event. This list should include the club's/organization's name, date, time, and location of your event typed and signed by two currently enrolled Brooklyn College executive board members (a sample is available at SAC).
- b. The Liaison will review, consult with appropriate college administrators, and if approved will forward the list to security for use during your event. Note: This procedure includes all guest speakers/performers. Provide to your Liaison, in advance, the speaker(s) name and the firm/organization with which she/he is associated.

5) Security meeting (if applicable):

- a. **Events requiring security:** If your event requires the use of College public safety officers, you and at least one additional currently enrolled Brooklyn College executive board member from your club/organization must attend a meeting with your Liaison, Public Safety, and other members of the college administration as appropriate to review the security procedures for your event.
- b. This meeting will occur at least **2 weeks** prior to your event. Your Liaison will schedule the meeting and notify you of the day and time.

6) Checklist of Responsibilities and Expectations:

- a. **Who is Responsible:** It is important to clearly articulate the lines of authority and responsibility for your event. The designated host club/organization is responsible for the event. Only Brooklyn College students, members of the host organization, may participate in implementation of the event. In addition, a DOSA staff member will be designated to attend and ensure success of the event including oversight for RSVP system in use.
- b. A senior college official will be the responsible authority for addressing any behavioral disruptions at major and special events.
- c. This checklist will be prepared two weeks in advance in consultation with your Liaison and may require the input of Public Safety and other members of the college administration as appropriate.
- d. If your event requires **additional security**, this checklist will be a required step that must be completed during the security meeting.

¹³ Eventbrite RSVP system will be used if designated as a Major event by the college. Major events will require DOSA staff to administer the RSVP system. Other events may require RSVP due to special circumstances as determined by college administration.

On the day of the Event:

1) Arrive early!

- a. To ensure everything is in place, you and at least one other designated currently enrolled BC student from your club/organization should arrive 1 hour prior to the start of the event. Check in with your Liaison.
- b. Check the room, the set-up, the equipment, the decorations, the food, etc. If there is a problem, contact your Liaison for assistance.

2) Manage Your Time:

- a. Your event must start and end at the advertised time. Your participants will appreciate this and it will help all scheduled events run smoothly.
- b. Events in the Student Center scheduled to end 30 minutes prior to closing may not be extended. Unauthorized extensions may result in additional fees and loss of reservation privileges.

3) Cleanup Leave the room clean and in order. Damages to the room or property may result in additional fees.

After The Event

1) Your Assessment! Great leaders are constantly learning from their experiences.

- a. Evaluating your event after it is over is the key to planning successful events in the future. Take time to think about your event: What went well? What would you do differently? What would you like to change for next time?
- b. Prepare your assessment report to review at the next meeting with your Liaison.

2) Pay your bills:

- a. Submit all remaining *Payment Request Vouchers* for your event (e.g., contracts, last-minute purchases) to CD on the first business day after the event. Failure to do so may result in penalties imposed on the executive board members responsible for the event.

The club/organization members will be notified immediately.

Once a decision is made to relocate or cancel an event, the decision cannot be reversed. An attempt to schedule an alternate date will be considered. To prevent last minute calls, please schedule alternate “rain” dates in your planning for the event. The Division of Student Affairs and its related departments will decide the time, place and manner for all club/organization events.

Quad Events are subject to the above noted policy regarding inclement weather.

Following the submission of a plan to your Liaison, quad requests must be submitted at least **five (5) weeks** in advance to the Student Center Director. - 2) Dates for tabling and locations are limited. While student clubs/organizations may submit 3 table space requests per semester, additional time slots may be considered if there are no competing requests (see page 44 for tabling procedure).

USE OF RSVP ONLINE SYSTEM: EVENTBRITE

In general, Campus events are offered primarily for the education of students, faculty, and staff of the university. Therefore the targeted proportion of non-campus versus campus attendees should be no greater than 50/50 for most events. Exceptions can be made depending upon unique circumstances, however, campus facilities and resources should support campus focused events and the Brooklyn College Community.

The host club/organization and their Liaison must classify the event as a BC community Only Event, a CUNY Community Only event, or a Guests Permitted event. These distinctions will be clearly outlined when the event is created in the RSVP system. The Office of Marketing and Communications will address all press requests and/or inquiries.

When appropriate for major events, steps will be taken to assure the appropriate percentage of students, faculty and staff through the control of ticket distribution and access via venue entrances.

WHEN IS THE RSVP SYSTEM REQUIRED?

The RSVP System will be utilized for any event that meets the following conditions:

- 1) When an event has the potential to generate significant media coverage or may present a unique security risk or if the event is likely to significantly impact daily campus activity.

STEPS REQUIRED FOR REQUESTING USE OF RSVP SYSTEM FOR AN EVENT

- 1) Meeting with designated Liaison, DOSA staff and college administration to discuss use of RSVP system. Must be done a minimum of four (4) weeks prior to the event date.
- 2) Two currently enrolled executive officers must be designated to serve as SubUsers (view only access) of the RSVP system along with the Liaison or designated staff member.
- 3) Attendance at a Planning/Implementation Meeting at least three (3) weeks prior to event. Your Liaison will advise you of this meeting.
- 4) Finalization of Space Reservation and event details at least two (2) weeks prior to the event. Attendance at any On-Site Meeting on the day of the event at least one (1) hour prior.
- 5) RSVP system may be made available to Brooklyn College students and faculty/staff in advance of a general release to Non-Brooklyn College and/or non-CUNY individuals. Then remaining seats equaling no more than the number given to students and other campus personnel can be released more broadly.
- 6) Access to an event using the RSVP system will be limited to those with documented reservations or printed tickets only. Procedures for walk-ins and waitlists, if appropriate, will be approved by DOSA.

HOST STUDENT ORGANIZATION RESPONSIBILITIES:

- 1) Assign two currently enrolled BC executive officers of your club/organization to be responsible for the planning and implementation of the event and meeting with designated Liaison, DOSA staff and others as needed.
 - a. Both students must also be present for the duration of the event. They should be readily available and accessible in the event of a disturbance or other problem.
 - b. Both students will be present at planning meetings held with campus administration.
 - c. Student volunteers may assist college staff as appropriate.

- 2) Ensure that members of the host organization adhere to campus posting guidelines.
- 3) Clarify the club's/organization's :
 - a. Goal, purpose and target audience
 - b. Type of space needed and amount of persons expected
 - c. Food/catering and audio-visual needs
 - d. Names of guests/speakers expected regardless if speaker is from BC or CUNY
 - e. Assessment to be utilized
- 4) Utilize the Event Request Form.
 - a. Even if only one (1) guest speaker is scheduled to speak, this information must be communicated to the Liaison.
 - b. In the case of workshops, parties, major or special events, the Liaison must notify the Student Center Director so that a determination can be made as to whether additional security may be needed. For certain events, there may be an added cost to the host student club/organization such as in the case of a party request which usually does not occur during normal business hours or for major events necessitating additional security staffing.
- 5) Ensure that designated students are trained to clearly state the ground rules and behavioral expectations at the beginning of the event, state the consequences for non-compliance, and accept full responsibility for outcomes of the event. Note that a senior administrator will read the college statement on "Diverse Viewpoint".
- 6) Accept full responsibility for all security costs and related costs for services, damage to facilities and/or loss of equipment, as expressly approved by the university. Public Safety is responsible for notifying the host student organization of any discrepancies between actual and estimated security costs for the event.
- 7) Notify Public Safety if an event is canceled at least 48 hours prior to the event. Failure to properly notify Public Safety of a cancellation within 48 hours of the event will result in a charge for three (3) hours for each contracted position assigned to the event. Any remaining money will be refunded to the sponsoring student organization.
- 8) Participate in the post event assessment.

Failure to adhere by the above may result in event cancellation.

COLLEGE RESPONSIBILITIES:

- 1) Assign one designated senior staff representative (or her/his designee) to the event. Staff must be trained in event management and conflict resolution and be available to the students throughout the duration of the event.
 - a. He or she will be present at planning meetings held with designated club members.

 - d. He or she will be the sole authority that can authorize the removal/ejection of an individual from the event – except in the case of an imminent safety threat.
 - e. If an imminent safety threat arises during the course of an event, Public Safety has the authority to remove/eject an individual(s) as deemed appropriate.

- 2) Provide additional staff as needed to ensure entrance processes are in place and implemented.
 - a. Establish orderly lines for entry as needed.
 - b. Check IDs to assure that all event attendees have valid college ID (or NYS ID).
 - c. Check-in guests using the printed or electronic version of the RSVP list.
 - d. Collect tickets (if tickets were required).
 - e. Stamp hands (or distribute wrist bands) for re-admittance.
- 3) Ensure that training is provided to senior staff and Public Safety Officers.
- 4) Ensure that individuals assigned to an event are knowledgeable of the College rules and guidelines.
- 5) Provide training to student leaders on event planning and conflict management (this is part of a program at the start of each academic year), including organizational, procedural and preventative techniques.
- 6) Notify the host organization of any discrepancies between actual and estimated security costs for the event.
- 7) Participate in post event assessment.

STUDENT EVENT RISK MANAGEMENT

All student activities and programs have a risk. The risks may be minimal, moderate or carry a significantly high risk. Perceiving and preparing for the degree to which your event entails risk should be discussed with your Liaison.

Your Liaison in consultation, with colleagues and senior administrators will determine when the level of risk is high and will further advise.

Note: A host organization may be required to submit a certificate of liability insurance adding the College and the Brooklyn College Student Center as an additional insured party. Similarly, if additional staffing is needed for the production of an event such as Public Safety Officers, the host organization will be required to pay and or reimburse funding for staffing needs.

Risk management is defined as “the process of advising organizations of the potential and perceived risks involved in their activities.” It is also monitoring and **supervising** organization activities and taking corrective actions and proactive steps to minimize accidental injury and or loss. We must apply principles of risk management at every management level for the purpose of:

1. Identifying and evaluating risk;
2. avoiding or eliminating them where practical and;
3. minimizing, controlling or contractually transferring them to others where possible.

Colleges and Universities deal with many risks on their campuses. It is important for colleges and Universities to:

1. Know what the risks are.
2. Know how to manage risk.
3. Know how much risk you want to be responsible for. Try to manage as little risk as possible and transfer the risk.
4. Have a plan in place to manage risk.

STUDENT-LED EVENTS AT BROOKLYN COLLEGE¹⁷

A student-led event is any event, taking place on or off campus that fits the following:

- Uses the name and/or logo of Brooklyn College.
- Hosted by a registered Brooklyn College student organization.
- Made possible by Brooklyn College funds.
- In the case of on-campus events, no rental fee is charged for the use of space.

There are several components to a student led event; the following definitions apply:

HOST

All student-led events must have a host. The host is the principal organizer of the event. Hosts must be CLAS, SGS, or GSO Brooklyn College student governments or a registered Brooklyn College student club. The host must follow all Brooklyn College requirements and guidelines, and is responsible for:

- Planning, logistics, and promotion of the event.
- Submitting the event details, including an event budget to Student Affairs via the event request form as well as through the Brooklyn College online calendar.
- Event setup, teardown, ensuring that all budgeted and unforeseen event expenses are paid.
- Identifying 2 Brooklyn College enrolled student members of the organization who must be present for the planning and for the implementation and duration of the event.
- Identifying a co-sponsor in a timely fashion.

CO-SPONSOR

Student groups can seek co-sponsorship for their events in order to advertise more broadly. Co-sponsorship does not imply agreement with or support of views expressed at a student led event.

Co-sponsors are:

- An administrative office, academic department, or program, student government or a registered student Brooklyn College organization.
- Able to help with promotion of the event, which can include material support.
- Required to follow all event guidelines.
- Responsible for establishing a main contact with the host group.

Co-sponsors MUST be listed on all marketing and promotional material along with the approved Brooklyn College Event Disclaimer (see pg. 68).

EXTERNAL SUPPORTER

Host groups may also seek external support for their event. External Supporters are not affiliated with Brooklyn College and may include:

- Administrative offices/faculty departments/recognized student organizations/academic center of other CUNY institutions or other academic institutions.
- Not-for-profit organizations recognized as such by the IRS
- For profit organizations.

Like Co-sponsors, External Supporters must follow all approved guidelines and can assist in the promotion and material support for the event. The office of Student Affairs must approve any proposed partnerships with External Supporters.

¹⁷ Draft policy to be discussed at future Policy Council meeting.

BLACK OUT PERIODS AND MAJOR EVENTS DESIGNATED TIMES/DAYS:

BLACK OUT PERIODS

Campus student club/organization hosted events are **not** held during the following periods

1. **Post Fall**-(mid December – mid February)
 - a) After the last day of fall classes through the second week of spring classes
 - b) Administrative Student Retreat/New Student Orientation are exceptions
 - c) Note that Graduate Student Organizations may hold events during finals as their class schedule is different from CLAS or SGS.
2. **Spring Recess**
 - a) No events during spring recess.
3. **Post Spring**-(mid May-mid June)
 - a) No student club/organization hosted event held until the fall when students enroll and budgets are in place.
 - b) The Student Center may host only social/cultural summer program after the last day of spring classes through the first week of summer classes (session 1)
4. **Pre Fall**-(mid August-mid September)
 - a) Last day of summer school-up until the second week of fall classes
 - b) Club meetings/elections or other small events may take place

MAJOR EVENTS

Major student club hosted events may be submitted only once a month as time and resources are critical to coordinate the College's preparation for these events.

Reminder: For small events such as club elections, the liaison may adapt the timeline as appropriate.

COSTS RELATED TO CLUB/ORGANIZATION LARGE, SPECIAL OR MAJOR EVENTS-SECURITY AND ADDITIONAL STAFFING:

EVENTS OUTSIDE NORMAL STUDENT CENTER OPERATING HOURS:

1. Any club holding an event in the Student Center (SC), after the normal working hours requires additional security for reasons of safety of attendees and the building staff. Costs will be assessed by the Student Center Director upon consultation with Public Safety.
2. The decision to use metal detectors and other security measures will be made by Public Safety. The SC staff and the club/organization will be notified in writing of the decision and the costs.

3. The club/organization is informed of the estimated costs for security immediately after their Event Request Form is submitted, but no later than one week (5 business days) from the submission of the request.
4. The amount of security, and additional staffing, if required, and the estimated cost of the same is presented to the club/organization and affirmed in writing with public safety at least 3 weeks prior to the event. The estimate is also provided in writing to Central Depository (CD).
5. CD encumbers the estimated amount from the club budget and informs the Liaison, the Student Center Director, and the Student Activities Associate Director that there are sufficient funds to cover the security costs from the club/organization budget. In the case of insufficient funds the event cannot proceed.
6. If the club event is held, CD will be informed by the Student Center Director of the number of hours and security staff who worked the event in writing. CD sends a request for the invoice in writing to Public Safety. CD then reconciles with Public Safety and the student club no later than 2 weeks following the event.
7. The SC may open on the weekends for special programming. Information regarding costs for full staffing and security will be provided by the Student Center Director.

EVENTS DURING NORMAL STUDENT CENTER HOURS THAT REQUIRE ADDITIONAL RESOURCES:

8. If an event (not designated as major) is to be held during normal Student Center operating hours the Student Center Director in consultation with security will assess the need for additional security and staff resources. If the assessment made by the Student Center Director finds that, due to limited personnel in the Student Center and the College's responsibility to ensure the safety of all, it is in the best interests of all to sponsor a public safety officer(s), funds will need to be encumbered to support the additional officer(s).

EVENTS THAT ARE OPEN AND ADVERTISED TO THE NON BC/CUNY COMMUNITY ("LARGE" EVENTS, AS DEFINED IN THE EPI)

9. Unless waived by the Director of Campus Security and Public Safety, all Student hosted events that are open to the general (non BC/CUNY) public will require that all guests attending the event enter the building through a metal detector. When the metal detector is required, the host organization will be responsible for all associated costs up to a maximum of \$400 per event. If there are concurrent events requiring metal detectors host organizations may share the costs with the total charge capped at \$400.

"MAJOR" EVENTS (AS DEFINED IN THE EPI):

10. In the case of an event designated as a major student hosted event by the administration's Event Screening Committee, a security assessment will be made by Public Safety and the estimated security costs of a particular student hosted event will be put in writing to be communicated to the student club by CD at the request of the Student Center Director.

GUIDELINES FOR MEDIA ACCESS TO BROOKLYN COLLEGE EVENTS

The Office of Communications and Marketing serves as the college's primary liaison with members of the media. Our professional media relations team is responsible for disseminating public information; facilitating interviews with students, faculty, and staff; seeking positive coverage for the college's people, programs, and activities; and responding to requests from journalists. We make every effort to accommodate members of the media interested in attending campus events or otherwise covering the college.

As a general rule, the college welcomes members of the media to public events on our campus. Journalists who wish to attend an event at Brooklyn College should normally contact the Office of Communications and Marketing at least 24 hours in advance in order to facilitate their visit. The college reserves the right to place reasonable limitations on media access, which may include restricting cameras and recording devices, requiring New York press credentials, or coordinating a press pool.

As a campus community that embraces diversity, Brooklyn College does not discriminate against members of the media on the basis of age, gender, sexual orientation, religion, race, national or ethnic origin, citizenship, disability, veteran or marital status. Event organizers who wish to contact members of the external media in order to request coverage and/or invite journalists should coordinate in advance with the Office of Communications and Marketing. Such notification will enable the College to accommodate media coverage in the appropriate manner.

As members of the Brooklyn College community, student reporters from our campus based authorized student media outlets are not required to provide advanced notice or coordinate with the Office of Communications and Marketing. Such student reporters may attend any college event by following the standard registration instructions, if required. They may access any event by presenting a college-issued student press pass, which will be provided to each registered student media organization by the Division of Student Affairs.

Members of the media, including student journalists acting in their official capacity, may not be granted access to campus activities where confidentiality is required.

For information about media access at Brooklyn College, contact the Office of Communications and Marketing at (718) 951-5882 or communications@brooklyn.cuny.edu.

DEMONSTRATIONS

Brooklyn College supports the right of individual students, faculty, staff and student clubs/organizations to demonstrate provided such activities do not disrupt normal activities or infringe upon the rights of others.

The College will not condone behavior that violates the freedom of speech, choice, assembly, or movement of other individuals or organizations. In short, responsible dissent carries with it sensitivity for the civil rights of others.

Accordingly, the College will take whatever steps it deems necessary to:

- 1) protect the right of any individual or group to demonstrate and publicly proclaim any view, however unpopular; and
- 2) protect the freedom of speech, assembly, and movement of any individual or group that is the object of the demonstration.

- 12) Persons engaging in activities on College grounds are subject to and expected to comply with all applicable university policies and procedures.

Student organization sponsorship in no way relieves participating individuals of responsibility for their conduct. Each individual participating in a demonstration or equivalent activities, whether sponsored or not, is

accountable for compliance with the provisions of this policy as well as the Rules and Regulations for the Maintenance of Public Order. Violation of this policy may be grounds for disciplinary action against individuals and/or the sponsoring or participating student organizations and their officers.

ALCOHOLIC BEVERAGE SERVICE POLICIES AND PROCEDURES

Brooklyn College Student Services Corporation

Introduction:

The Brooklyn College Student Center holds a New York State Liquor License; the license is issued to the Brooklyn College Student Services Corporation (BCSSC).²² The Student Center has the responsibility to disperse alcoholic beverages at all campus scheduled events and activities.

- a) Brooklyn College community members are required to contact the Brooklyn College Student Center, (718) 951-5528, if they wish to request alcoholic beverage service at a scheduled event.
- b) Within five weekdays of receiving a request, a response will be provided based upon the requesting organization's compliance with the policies and procedures set-forth below under the headings: Student Center Alcoholic Beverage Disbursement Policy. For additional information on the policy, you may contact the Student Center Director at 718-951-5842.

Student Center Alcoholic Beverage Disbursement Policy:

Effective December 1985, New York State Law prohibited persons under the age of 21 from **purchasing** alcoholic beverages, and as of January 1990, persons under the age of 21 were prohibited from **possessing** any alcoholic beverage with the intent to **consume** the beverage. Since many enrolled students are under the age of 21, the possibility of illegal use and abuse of alcohol is greatly increased. Due to the obvious inherent risks associated with the purchase and consumption of alcoholic beverages within the BC community, this Student Center Alcoholic Disbursement Policy has been developed for all alcoholic beverage functions scheduled on the BC campus.

- a) All requests for beverage service MUST include a non-alcoholic beverage option; non-alcoholic beverages will be placed in the general program area that is open to all regardless of age.
- b) Food items, other than potato chips/pretzels, etc., must be provided by the sponsoring organization at all functions that have been authorized to serve alcoholic beverages.
- c) When alcoholic beverages are served at an event:
 - 1) Only persons over the age of 21 will be served alcohol.
 - 2) Alcohol must be served and supervised by trained Student Center personnel.
 - 3) Under close supervision by administrative supervisors²³, Student Center personnel will check photo ID (usually a driver's license) for all individuals wanting to gain access to the alcoholic beverage serving area; special stamps or wrist bands will be used so that the person can easily "come and go" from the area [e.g. bathroom, participate in scheduled activity, etc.].
 - 4) To ensure that alcohol is not purchased by a person of legal statutory age and then given to a minor, alcoholic beverages will be disbursed and MUST be consumed in an "alcohol beverage area" that permits only persons over the age of 21; Student Center Staff will ensure that no one leaves this area with a drink.

²² Names on the license representing BCSSC are: BC President; BC Dean of Student Affairs (BCSSC Vice President); BC Vice President Finance & Administration (BCSSC Treasurer); and BCSSC Director (BCSSC Secretary).

²³ Student Center Beverage Service Supervisors: Student Center Director, Assistant Director/Student Center Operations, or Student Center Operations Coordinator

Beverage Service Requests

a) Non-student Organizations

- 1) All non-student organization beverage service requests are made through the Student Center Administrative Office 718 951-5528, which is administered by the Assistant Director of Student Center Services.
- 2) *Alcoholic beverage service requests MUST be made at least two (2) weeks prior to the event.*
- 3) All alcoholic beverage functions will be held in the Student Center. Under special circumstances, the Student Center staff may provide service outside the Student Center (e.g. President's Office, President's Residence, Whitman Auditorium, Library Lily Pond Room, Georgian Room, etc.).
- 4) Prior to final approval, the proposed alcoholic beverage event will be discussed with the Vice President for Student Affairs.

b) Campus Student Organizations

- 1) Brooklyn College Association (and CUNY) policy **does not** permit the use of undergraduate student activity funds to be used to pay for alcoholic beverage service; however, graduate student activity funds **can be** used to cover.
- 2) Prior to discussing the alcoholic beverage service request with the Student Center Director, the requesting student organization will be fully appraised of the *Student Center Disbursement Policy* by Student Activities Central personnel; student leadership of the respective organization will then decide if they want to serve alcoholic beverages at their event.

Final Procedures to Approve Alcoholic Beverage Service

- a) After thoroughly discussing the ramifications involved with serving alcoholic beverages at a function in the Student Center or at a campus event, the designated organization/office/department representative responsible for requesting alcoholic beverage service will discuss beverage service request options with the Assistant Director for Student Center Services or Director of the Student Center.
- b) When the Director is satisfied that all policies and procedures are in place to serve alcoholic beverages at a student organization function or at a campus event, including a discussion with the Office of Public Safety, the Vice President for Student Affairs is contacted to discuss the "plan of action and safeguards" that will be implemented by the Student Center administrative staff *before final approval is given*.
- c) When the Vice President for Student Affairs and Student Center Director mutually agree, final approval can be given to the organization/office/department to serve alcoholic beverages at the scheduled event.

Sanctions:

Violations of the CUNY Rules for the Maintenance of Public Order, pursuant to Article 129A, may subject student violators to disciplinary action pursuant to Article 15 of the University's Bylaws and College employees to disciplinary action as determined by the College's Human Resource Division²⁴.

²⁴ Students violating this policy will be subject to sanctions ranging from admonishment to expulsion from the University system as per CUNY Bylaws, Article 15; College employees violating this policy will be referred to the College Human Resources Division for disciplinary review and action.

SECURITY GUIDELINES FOR SPECIAL EVENTS

Following is a compilation of current policy and procedures in effect at Brooklyn College for security at special events. The purpose of this guideline is to give clear and concise instructions on the procedures and protocols to be followed for events on campus where a security concern exists. These guidelines are derived from existing Brooklyn College Special Events Security Guideline, and University established guidelines derived from recommendations of the University Director of Public Safety and the "Report to Mayor David Dinkins on the December 28, 1991 Tragedy at CCNY" prepared by Milton Mollen Deputy Mayor for Public Safety.

- 1] Brooklyn College Public Safety & Security is responsible for security at any event held on the Brooklyn College campus.
- 2] All applications for special events on the campus, where security and or safety is a concern, must be submitted for review to the Director of Public Safety & Security no later than thirty (30) days prior to the scheduled event.
- 3] The application form must be approved by the Office of the Vice President for Student Affairs and the Director of Public Safety & Security who will advise the Vice President for Student Affairs of any anticipated security problems. The event also must finally be approved by a high college official as designated by the President.
- 4] The Director of Public Safety & Security will conduct a security review of the proposed event and will supply to the applicants a list of security requirements to be met prior to the event taking place. Failure to meet all requirements will result in cancellation of the event. Applicants will be required to acknowledge receipt of the security requirements in writing.
- 5] Where events are being run by an authorized college club, the faculty advisor of the club must be present and remain at the event for the duration. Failure of the faculty advisor to be present or remain at the event can result in the event being canceled at that time.
- 6] The Director of Public Safety & Security will prepare a written plan for security at the planned event two weeks prior to the event. The plan will be formulated after consultation with the University Director of Public Safety, NYPD officials and any other security personnel to be utilized at the event. Copies of the written plan will be submitted to the University Director of Public Safety for review and approval by the University.
- 7] At any time prior to the event, should a safety concern arise which can not be addressed effectively, the Director of Public Safety & Security may cancel the event, including concerns which may arise during the event.
- 8] Overall responsibility and supervision of all security personnel at the event will fall under the direction of the college's Director of Public Safety & Security.
- 9] Upon completion of the event, a report will be prepared by the Director of Public Safety & Security and distributed to appropriate officials including the student club advisor. The report will summarize the event, its success and any recommendations for future improvements at similar events.
