Student clubs/organizations must abide by all student organization policies listed in the Event Planning and Implementation (EPI) Handbook.

The information in this resource is divided into four main sections as follows:

Pages 6-16    Tips for running (or starting) a successful club
Pages 18-Everything you need to know for successful event planning and implementation

GETTING STARTED:
All clubs/organizations must be registered with SAC annually. In order to become registered, the club/organization will hold elections in the spring and complete the registration process. In addition, executive officers must be currently enrolled students in good standing and both the President and the Treasurer must attend an Executive Training and Event Planning and Implementation session. Other requirements may apply as stated in the governing bylaws.

ELECTIONS
Your club’s/organization’s election must be advertised at least one week prior to the election date. The advertisement can be placed in the Bulldog Connection.

REGISTRATION PROCESS
Club/organization registration is submitted through the Bulldog Connection. All required documents can be prepared and submitted electronically in the Bulldog Connection. The registration process requires a recording sheet for attendance at the elections, election minutes, and a membership roster. Once the registration process is completed, the president and treasurer will receive additional instructions regarding training and any other requirements. Clubs/organizations must be registered before any student activity fee money can be utilized. Only currently enrolled Brooklyn College students can be members of a student club. A roster of current members (must be enrolled and registered) must be submitted each academic year as part of the registration process and the roster re-validated at the beginning of the Spring semester.

BUDGET/GRANTS
Club/organization budget requests for the following year will be presented to the respective Student Government in the spring for review and approval. Student Government notifies clubs/organizations of the date and location to submit budget requests. Please contact your Student Government for more details. Members of the Academic Club Association (ACA) may go to 307/8 Student Center. CD can assist you with the preparation of your budget. New clubs and currently registered clubs may request a grant from their allocating body. Additionally, clubs that are deemed academic in nature will be funded by ACA – clubs/organizations cannot receive funding from both ACA and CLAS.
STARTING A CLUB/ORGANIZATION

There are several rules and regulations that need to be followed by any student interested in starting a new club/organization on the Brooklyn College campus. The first step is to schedule an appointment with staff in SAC to review the list of clubs/organizations already chartered. If the club/organization was previously chartered, you may request a copy of the chartered constitution. If there is no chartered constitution you will need to petition for a charter.

To petition for charter, you must collect the signatures of at least 25 currently enrolled Brooklyn College students who are committed to becoming members and who will participate in the election for the executive board.

You must develop a constitution and present the petition for charter and constitution to the respective Student Government President (S.G.S., C.L.A.S., or G.S.O.) on the third floor of the Student Center. Student Government has the right to accept or reject the constitution. A copy of the approved constitution must also be filed with CD.

TRAINING FOR STUDENT LEADERS

The President and the Treasurer of registered student clubs/organizations must attend an Executive Training and Event Planning and Implementation session. This training is designed to provide the executive board members with important information related to event planning, financial management, group development and general student activities information. Due to the responsibilities of these positions, student leaders are encouraged to hold such a position in one organization at a time. Additional Executive Training sessions regarding event management, conflict resolution, intercultural exchange and diversity will be offered.

REQUESTS FOR EVENTS

Space for activities and programs on campus is limited. All student club hosted events, regardless of location, must be submitted electronically using an Event Request Form (ERF) on Bulldog Connection. An ERF must be complete and signed by the club president, a second executive board member and your club liaison. Once submitted, the ERF can be tracked through the Bulldog Connection which is where all communication regarding the event will occur. An incomplete ERF will not be accepted.

REQUESTS FOR STUDENT CLUB AND ORGANIZATION OFFICES AND STORAGE

Club spaces on campus are the responsibility of the Division of Student Affairs on behalf of Brooklyn College and are available for use only by currently registered students of Brooklyn College who are members of officially registered student clubs and organizations. The club room/office space can be used for committee meetings, but cannot be used to supplement or house events or hold elections. Spaces are assigned annually on a temporary basis. The current executive leadership of the student club will be held responsible for the maintenance of the student club space, keys, and contents thereof. Officially registered student organizations must submit the Student Club and Organization Office and Storage Request Form on an annual basis as part of the club registration process through the Bulldog Connection.

---

4 Petition for Charter and sample constitutions can be picked up in SAC, 302 Student Center;
5 Note that each proposed activity will be reviewed and discussed with the SEMT and other college officials as necessary.
WHAT MAKES FOR A SUCCESSFUL CLUB/ORGANIZATION?

PLANNING AND GOALS
A plan for the year should be discussed at the beginning of the academic year with the Advisor. Your club/organization goals for the year can include: membership goals, service projects, or social activities. The club/organization President alone should not decide the goals. All members should work together to establish short-term (monthly) and long-term (annual) goals. Your annual programming should revolve around the established goals.

CONTINUITY
There should be continuity in the activities of the organization between meetings. This can be accomplished with careful planning before the fall semester starts. Between meetings there should be follow-up work for the members, for example event committees, posting notices, recruiting members, etc.

MEETINGS
The executive officers must be prepared and organized prior to each meeting, especially the first one of the year. You should provide a list of meeting dates in advance and prepare a printed agenda to distribute. You must have quorum at meetings when voting on decisions. Minutes recording the attendance, decisions, action steps and assignments discussed at the meeting must be available and kept for documentation and assessment purposes. Consult with your Liaison for recommendations on storing your documents.

GUIDANCE AND ADVISEMENT
Executive officers should use all available resources including, your Liaison and Advisor. Ask for their input and combine it with your members’ ideas. Meet early on and regularly with your Advisor to review your plan for the year. The executive board should make recommendations to the group based on feedback from all members.

MEMBERSHIP PARTICIPATION
Only currently enrolled and registered Brooklyn College Students can be members of a student club/organization. Clearly define what the expectations are of members, such as attending meetings. Any additional requirements must be stated in the approved constitution. Be sure to introduce new members at each meeting. Take attendance at each meeting. “All members should have the opportunity to speak and express their ideas. As a reminder, a roster of current members must be submitted each academic year as part of the registration process and the roster re-validated at the beginning of the Spring semester.

Remember - A college students’ major commitment is to their academic work. All members must be encouraged to balance their co-curricular life and their academics.
PRIVILEGES OF A REGISTERED STUDENT CLUB/ORGANIZATION

Club/Organization Registration:
All clubs/organizations must register in the Bulldog Connection before any student activity fee money can be disbursed. Registration information will be distributed & submitted electronically through the Bulldog Connection.

Budgets:
Student Government, referendum organizations, and all club/organization budgets are presented to the BCA for approval in the Spring semester. These budget approvals are for the coming fiscal year. Any changes must follow Robert’s Rules of Order and will be voted upon by the club membership. If you want to purchase an item with a price of up to $1,250.00 you need to complete a purchase order form. This form is used to obtain an invoice from the vendor and to let the vendor know that your organization can pay for the item. The processing time in CD is approximately three (3) business days.

If you want to purchase items valued MORE than $1250.00 BCA approval is required. The average processing time is six weeks. To confirm receipt of goods, all purchases are received in CD. Once it is determined that a performance agreement is needed, it will be the responsibility of the student club/organization to contact CD with the following information:

STUDENT GOVERNANCE
Student leaders have an important role in creating and implementing policies that affect the College community. Your elected Student Governments serve as representatives of the students to the faculty and administration within the College. All students are encouraged to contact their respective Student Government representatives and get involved in campus student life.

STUDENT GOVERNMENTS (SG) AT BROOKLYN COLLEGE
There are three Student Government organizations at the college: the College of Liberal Arts and Sciences (CLAS), the School of General Studies (SGS) and the Graduate Students Organization (GSO). Each Brooklyn College student has a Student Government that represents their interests in reviewing, developing and modifying college policies.

Each SG is funded by the student fees that students pay each time they register for classes. Elections are held annually; any matriculated student who meets the qualifications may seek office. Meetings of the organizations are open to all students. These organizations also sponsor and fund student clubs for their annual activities. The CLAS Student Government is divided into three branches: Executive (President and Vice President), Legislative (29 representatives) and Judiciary (three judges).

Contact information for your SG can be found in CD.

COLLEGE WIDE COMMITTEES
Students may serve on a variety of college wide and university wide committees, including Policy Council, Faculty Council, Advisory Committees, etc. Committee appointments go through Student Government Presidents. A list can be requested from the Dean of Students.

GREEK LIFE
Brooklyn College is host to an active community of Greek Lettered Organizations (GLO) which are another avenue through which students can become connected to the campus and take an active role in student life. These registered fraternities and sororities each have different histories and missions while taking an active role in many campus-wide and community events.

Greek Life is overseen by the Greek Council, made up of representatives from each registered GLO. The Greek Council is governed by CLAS Student Government. Students interested in starting a GLO must consult with the Greek Council Liaison for more information.
BROOKLYN COLLEGE LEARNING GOALS

Student clubs/organizations are expected to establish goals early on in the academic year that are in line with their mission and that connect to the Brooklyn College learning goals.

1. be able to think critically and creatively, to reason logically, to reason quantitatively, and to express their thoughts orally and in writing with clarity and precision;
2. be able to make sound moral and ethical judgments;

The following are the various types of events generally held on campus. To determine the required procedure for each, discuss with your Liaison and review relevant sections in the EPI.

SMALL EVENTS: CLUB MEETINGS
1) Event Requests must be submitted in the Bulldog Connection one (1) week prior to the event.

SMALL EVENTS: SOCIAL ACTIVITIES (BC COMMUNITY ONLY-NOT OPEN TO THE PUBLIC):
1) Event Requests must be submitted in the Bulldog Connection three (3) weeks prior to the event.

LARGE, SPECIAL AND/OR MAJOR EVENTS:
1) Completed Event Requests must be submitted in the Bulldog Connection a minimum of four (4) weeks prior to the event date.
2) All details must be finalized two (2) weeks prior to the event date, including permits and signatures of approval as required, food orders, determining security needs and confirmation of event title and speakers/performers. Failure to provide completed information will result in delay and/or the cancellation of the event.
3) Fees may be imposed if additional security and/or personnel are needed during the event.
4) Major events will require that the designated Brooklyn College RSVP system be utilized.
5) Major event advertisements must include required information and be approved by the Liaison (see pg. 59 for a checklist).
6) Major events may be submitted only once a month as time and resources are critical to coordinate the College’s preparation for these events.

TABLE REQUESTS:
1) Requests for tabling must be made three (3) weeks in advance.
2) Tabling is used for the purposes of advertising club/organization events, distributing information and for bake sales.
3) Dates for tabling and locations are limited. While student clubs/organizations may submit three (3) table space requests per semester, additional time blocks may be considered if there are no competing requests. See tabling policies on page 40 for more information.

LATE NIGHT EVENTS:
Events Requests whose scheduled ending time is after Student Center regular hours must be submitted a minimum of four (4) weeks prior to the event date. Additional security/staff costs may apply.

QUAD EVENTS:
1) Events Requests on any Quad require four (4) to eight (8) weeks lead time as these events necessitate campus wide coordination. An alternate rain location will need to be scheduled.
2) Each club/organization may request permission for one East Quad and one West Quad event per semester. Events with amplification are allowed on the West Quad only.

CONCERTS AND LARGE ENTERTAINMENT EVENTS:
Events Requests for Concerts or Large Entertainment events must be submitted a minimum of eight (8) weeks prior to the event date.

6 Liaisons, in the case of small events, have the ability to waive the deadline when appropriate.
7 Clubs may submit three major event requests per semester. Additional events may be considered if there are no competing requests.
**PROCEDURE TO DETERMINE IF THE EVENT IS LARGE, SPECIAL AND/OR MAJOR:**
Each club hosted event will be categorized using the following established criteria. The determination is made in consultation with the Student Event Management Team (SEMT) and any other partners as appropriate.

**LARGE EVENT:**
If a student club hosted event is an activity intended for an audience outside of the Brooklyn College community, it will be classified as a large event.

*Note:* A “Large Event” can be major, special or both.

**SPECIAL EVENT:**
If an outside speaker/performer has been invited to an event, it will be classified as special.

**MAJOR EVENT:**
If an event has the potential to generate significant media coverage, may present a unique security risk, and/or is likely to significantly impact daily campus activity it will be classified as major.

Major events will require the use of the designated Brooklyn College RSVP system and must follow advertising guidelines (pg. 59).

**BC RSVP System** – Major events must use the BC RSVP system while special and other events may be required to implement an RSVP system on a case by case basis, as determined by the college administration.

**Campus Safety and Security** – Public Safety will determine the necessary safety and security needs for campus events designated as major/special events.

**Communications** – All external media inquiries must be referred to the Office of Communications and Marketing in accordance with the College’s Media Policy. The official announcement of a major event will be reviewed by the Liaison for accuracy (time, location, etc.) at least two (2) weeks prior to distribution in any format, including Facebook or any other social media, flyers, emails and other public venues. Co-sponsors must be listed on all marketing and promotional materials along with the approved Brooklyn College Event disclaimer (see pg. 50). This disclaimer must be in a font size of at least 10pts and positioned near the list of co-sponsors.

---

8 The system is managed by Brooklyn College Student Affairs and a Student Affairs staff member will administer the system prior to and during the event. The RSVP system will reflect an emphasis on BC students and the number for the cohorts (BC and non BC) will be decided accordingly. In addition, Time, Place and Manner will be considered and may impact site/location of the proposed event. BC students may be offered priority and special admission on an event by event basis. A Student Center Official Guest List Form or another RSVP (other than the designated Brooklyn College RSVP System) system may be utilized in special cases as determined by the College administration.

9 Note that in the past parties and other large campus social events as well as those designated as major/special events have required the use of metal detectors upon entry to the event location. Bracelets to track the number of guests may be necessary when space is limited or other events are being held in the same location.
ORGANIZATIONAL RESPONSIBILITY OF THE COLLEGE FOR STUDENT CLUB HOSTED EVENTS CLASSIFIED AS LARGE, SPECIAL OR MAJOR:

In consultation with the Student Event Management Team (SEMT) the VP for Student Affairs or designee will convene a SET meeting according to the following timeline: 10

A. **4 weeks prior** to the event to review all details and share any updates including BC RSVP implementation; security, funding and or fundraising; media/communications, facilities/location and to discuss any additional costs and or budget issues.

B. **3/2 weeks (two weeks at a minimum) prior...to event:**
   BC RSVP system will be set up.

C. **2 weeks prior ...to event:**
   Publicity/advertising must be finalized and all documents must be reviewed. All social media used and information distributed regarding the event title, speakers, or target audience must be consistent with information provided to Liaison previously. PLANNING WITH YOUR LIAISON: BEGIN WITH THE WELLNESS WHEEL

Programming at Brooklyn College follows a wellness model called the Six Dimensions of Wellness (developed by Dr. Bill Hettler, MD, Cofounder, National Wellness Institute). All six dimensions (shown in the graphic) are interconnected and affect one another.

This wellness model provides a template for a balanced and holistic approach to event planning on campus which will help you to actively engage fellow students as well as build a strong campus community.

You can meet with your liaison by appointment regarding any policies or procedures for your events. Every aspect of your prospective event (such as entertainment, refreshments, facilities, budget, etc.) can be discussed.

TIPS AND TOOLS

- **Begin early: at least four (4) weeks ahead is required for most events!** Planning in advance and ironing out the details is the key to a successful event. With your executive board and club/organization members make a list of all aspects (room, refreshments, guests, speakers, etc.) needed for your event.

- **Be sure there are sufficient funds available for the event!** To avoid any problems or delays, submit budgets, line and program changes, and performance agreements as specified by CD. All preparations for the event must be complete and all agreements, purchase requisitions, etc. must be submitted to CD at least **2 weeks before the event**.

- **Timing of the event...** All club/organization events must be held during the academic year while classes are in session. Please note that all student events are open to the entire BC community and are subject to review. Pay attention to the black out periods on page 31.

- **Security...** Security for a College event, held on College premises, is under the control and supervision of Brooklyn College’s Public Safety Department. The President of Brooklyn College, through his/her designee, the Director of Security, must approve any special security arrangements in advance. All major events require a safety assessment as a condition of approval to determine the number of officers necessary. Any club/organization planning a major event must allocate sufficient financial resources to pay for the appropriate number of officers.

- **Canceling an Event...** If you decide to cancel your club/organization meeting or event after a room has been confirmed, make sure to update your event request in the Bulldog Connection immediately. As it pertains to the Student Center, failure to comply with this request will affect your club’s/organization’s standing and ability to reserve facilities/equipment in the future. Cancellations made less than 24 hours in advance may result in a fee of $50.

- **Media Access...** See guidelines on pg. 46.
HOW DO I EFFECTIVELY MANAGE MY EVENT? FOLLOW THE TIMELINE!

Each event will be assigned a staff member to act as the responsible authority to resolve any issues. The responsible authority for small events will be the Liaison or a designated Student Center staff member. The responsible authority for all other types of events will be decided as part of the planning process by the College administration.

The following guidelines will help you in managing large, special or major club events. Use a separate Event Planning and Management Worksheet provided on pg. 33 for each event.

Note: Failure to provide required information or adhere to the stated timelines may result in the cancellation of your event.

Before The Event (Approval must be obtained at least four (4) weeks prior to event date, except for meetings and small events which require less time)

1) Meet with your Advisor to discuss goals, resources, logistics and assessment four (4) weeks prior to the preferred date. You must be accompanied by at least one additional Brooklyn College currently enrolled student who is an executive board member.
   a. Goals… Establish realistic goals for your event in consultation with your Advisor and club members.
   b. Resources… Create a proposal indicating everything you have or will need to reach the event goals, including a detailed budget.
   c. Logistics… Prepare a projected program for your event with space needs, vendors, speakers, performers, and special guests (College President, Elected Officials, etc).
   d. Assessment… Indicate the method you will use to prove you achieved your goals. Examples include surveys, focus groups, attendance sheets or other feedback methods.

2) Develop a communication and outreach plan.
   a. Be creative and plan ahead! Make sure to announce and promote the event on campus and in the Bulldog Connection.
   b. Share guidelines with members. Make sure that you and your membership are informed of all the guidelines and deadlines that apply to your event (e.g., security procedures, room rules, entry to the campus rules, posting guidelines for bulletin boards).
   c. Target your audience to assess your needs for space, food, materials, etc. Provide a method for individuals to confirm attendance. In the case of Major events, the college RSVP system will be provided.
   d. Send a consistent message. The essential information shared about your event must be the same from start to finish, including title, date, time and purpose.

3) Notify vendors/performers of delivery procedures & make proper arrangements.
   a. Food deliveries: A list of caterers currently allowed to deliver food inside the Student Center and set-up in the scheduled room(s) is available from SAC.

11 Liaisons, in the case of meetings, have the ability to waive the deadline when appropriate.
b. **Band or DJ equipment arrival & departure**: Bands/DJs must use the East Gate entrance for loading and unloading equipment.

c. **Performers/Speakers**: The names of any non-Brooklyn College performers/speakers must be provided as part of your guest list for the event. Performers/speakers must provide to the event host a description of their performance/lecture and a list of any equipment they will bring with them. A Performance Agreement will be required if an individual is being paid. Additional requirements may be needed – consult with your Liaison.

4) **Guests (non-Brooklyn College)**

   a. **Guest List**: When a guest list is approved for your event, a template will be provided to you through the Bulldog Connection. Insert names in alphabetical order by last name. The guest list must be submitted through the Bulldog Connection by **12pm the day before your event**.

   b. The Liaison will review, consult with appropriate college administrators, and if approved will forward the list to Student Event Management Team (SEMT) for use during your event. Note: This procedure includes all guest speakers/performers. Provide to your Liaison, in advance, the speaker(s) name and the firm/organization with which she/he is associated.

5) **Security meeting (if applicable)**:

   a. **Events requiring security**: If the College Public Safety Office determines that your event requires the use of College public safety officers, you and at least one additional currently enrolled Brooklyn College executive board member from your club/organization must attend a SET meeting with your Liaison to review the security procedures for your event.

   b. This meeting will occur at least **2 weeks** prior to your event. The SEMT will contact the event host and the Liaison to set up a meeting.

6) **Establishing Responsibilities and Expectations**:

   a. **Who is Responsible**: It is important to clearly articulate the lines of authority and responsibility for your event. The designated host club/organization is responsible for the event. Only currently enrolled Brooklyn College student members of the host club/organization may participate in the implementation of the event. In addition, a DOSA staff member may be designated to attend and ensure success of the event including oversight for any RSVP system in use at major and special events.

   b. A senior college official will be the responsible authority for addressing any behavioral disruptions at major and special events.

   c. For a major event an agreement will be prepared two weeks in advance in consultation with your Liaison and may require the input of Public Safety and other members of the college administration as appropriate.

   d. If your event requires **additional security**, an agreement will be a required step that must be completed during the security meeting.

---

12 BC RSVP system will be used if an event is designated as Major by the college. Major events will require DOSA staff to administer the RSVP system. Other events may require RSVP due to special circumstances as determined by college administration.
On the day of the Event:

1) Arrive early!
   a. To ensure everything is in place, you and at least one other designated currently enrolled
      BC student from your club/organization should arrive 1 hour prior to the start of the event.
      Check in with your Liaison.
   b. Check the room, the set-up, the equipment, the decorations, the food, etc. If there is a
      problem, contact your Liaison for assistance.

2) Manage Your Time:
   a. Your event must start and end at the advertised time. Your participants will appreciate
      this and it will help all scheduled events run smoothly.
   b. Events in the Student Center scheduled to end 30 minutes prior to closing may not be
      extended. Unauthorized extensions may result in additional fees and loss of reservation
      privileges.

3) Manage Your Event:
   a. Make sure to greet your guests and provide them with information on what to expect at the
      event
   b. Review all relevant policies and procedures outlined in this handbook including how to
      handle disturbances (see pg. 49).

4) Cleanup Leave the room clean and in order. Damages to the room or property may result in
   additional fees.

After The Event

1) Your Assessment! Great leaders are constantly learning from their experiences.
   a. Evaluating your event after it is over is the key to planning successful events in the future.
      Take time to think about your event: What went well? What would you do differently?
      What would you like to change for next time?
   b. Prepare your assessment report to review at the next meeting with your Advisor.

2) Pay your bills:
   a. Submit all remaining Payment Request for your event (e.g., performance agreements, last-
      minute purchases) to CD on the first business day after the event. Failure to do so may
      result in penalties imposed on the executive board members responsible for the event.

OUTDOOR EVENTS AND ACTIVITIES

All outdoor events/activities are subject to change and/or cancellation due to inclement weather. Cancellations or relocations due to pending inclement weather conditions such as high winds, rain etc. will be made by the Student Center Director and the Vice President for Student Affairs or designee. The club/organization members will be notified immediately.

Once a decision is made to relocate or cancel an event, the decision cannot be reversed. An attempt to schedule an alternate date will be considered. To prevent last minute calls, please schedule alternate “rain” dates in your planning for the event. The Division of Student Affairs and its related departments will decide the time, place and manner for all club/organization events.

Quad Events are subject to the above noted policy regarding inclement weather.

Quad requests must be submitted at least **four (4) weeks** in advance in the Bulldog Connection. Each request will be reviewed on a case by case basis. Quad space is limited to the designated paved areas. Consideration will be given to the nature of request and number of requests.

Any Quad request will require a meeting with designated college administrators representing various departments to determine the feasibility of the same.

When requesting Quad space:

1) A maximum of 6 rectangular tables for a club/organization hosted event can be requested.
2) Each club/organization may request permission for up to two quad events per semester.
3) A representative of the Division of Student Affairs will monitor all approved events.
4) Use of music or amplification must be requested and approved in advance and limited to the West Quad.

The following items are not allowed to be used at tables during Quad events

1) No glass items
2) Wood or plexiglass cannot be utilized for signs and posters. Signs and boards must be made of foam or cardboard. Foam board or cardboard cannot be more than 3ft high
3) No sprays or spray cans
4) Sheets on poles are not allowed. No sticks or poles.
5) No physical activities (West Quad may be reviewed for such activity –see SC Director.)

Tabling requests:

1) Requests for tabling must be made **three (3) weeks** in advance for the purposes of advertising events, distributing information and for bake sales.
2) Dates for tabling and locations are limited. While student clubs/organizations may submit 3 table space requests per semester, additional time blocks may be considered if there are no competing requests (see pg. 40 for tabling procedure).
USE OF BC RSVP ONLINE SYSTEM:

In general, Campus events are offered primarily for the education of students, faculty, and staff of Brooklyn College. Therefore the targeted proportion of non-campus versus campus attendees should be no greater than 50/50 for most events. Exceptions can be made depending upon unique circumstances, however, campus facilities and resources should support campus focused events and the Brooklyn College Community.

SEMT must classify the event as a BC community Only Event, a CUNY Community Only event, or a Guests Permitted event. These distinctions will be clearly outlined when the event is created in the RSVP system. The Office of Marketing and Communications will address all press requests and/or inquiries.

When appropriate for major events, steps will be taken to assure the appropriate percentage of students, faculty and staff through the control of ticket distribution and access via venue entrances.

WHEN IS THE RSVP SYSTEM REQUIRED?

The RSVP System will be utilized for any event that meets the following conditions:

1) When an event has the potential to generate significant media coverage or may present a unique security risk or if the event is likely to significantly impact daily campus activity (major events).

STEPS REQUIRED FOR IMPLEMENTING USE OF RSVP SYSTEM FOR AN EVENT

1) Meeting with designated Liaison, DOSA staff and college administration to discuss use of RSVP system. Must be done a minimum of four (4) weeks prior to the event date.

2) Two currently enrolled executive officers must be designated to serve as SubUsers (view only access) of the RSVP system along with the Liaison or designated staff member.

3) Attendance at a SET meeting at least three (3) weeks prior to event. A member of SEMT will advise you of this meeting.

4) Finalization of Space Reservation and event details at least two (2) weeks prior to the event. Attendance at any On-Site Meeting on the day of the event at least one (1) hour prior.

5) RSVP system may be made available to Brooklyn College students and faculty/staff in advance of a general release to Non-Brooklyn College and/or non-CUNY individuals. Then remaining seats equaling no more than the number given to students and other campus personnel can be released more broadly.

6) Access to an event using the RSVP system will be limited to those with documented reservations or printed tickets only. Procedures for walk-ins and waitlists, if appropriate, will be approved by DOSA. If walk-ins are permitted, priority admission will be given to BC students with a valid BC ID.

HOST STUDENT ORGANIZATION RESPONSIBILITIES:

1) Assign two currently enrolled BC executive officers of your club/organization to be responsible for the planning and implementation of the event and meeting with designated Liaison, DOSA staff and others as needed.
   a. Both students must also be present for the duration of the event. They should be readily available and accessible in the event of a disturbance or other problem.
   b. Both students will be present at planning meetings held with campus administration.
   c. Student volunteers may assist college staff as appropriate.
2) Ensure that members of the host organization adhere to campus posting guidelines.

3) Clarify the club's/organization's:
   a. Goal, purpose and target audience
   b. Type of space needed and amount of persons expected
   c. Food/catering and audio-visual needs
   d. Names of guests/speakers expected regardless if speaker is from BC or CUNY
   e. Assessment to be utilized

4) Utilize the Event Request on the Bulldog Connection.
   a. Even if only one (1) guest speaker is scheduled to speak, this information must be included in the Event Request prior to approval.
   b. In the case of workshops, parties, major or special events, a determination may be made by the administration as to whether additional security may be needed. For certain events, there may be an added cost to the host student club/organization such as in the case of a party request which usually does not occur during normal business hours or for major events necessitating additional security staffing.

5) Ensure that designated students are trained to clearly state the ground rules and behavioral expectations at the beginning of the event, state the consequences for non-compliance, and accept full responsibility for outcomes of the event. Note that a senior administrator will read the college statement on “Diverse Viewpoint”.

6) Accept full responsibility for all security costs and related costs for services, damage to facilities and/or loss of equipment, as expressly approved by the university. Public Safety is responsible for notifying the host student organization of any discrepancies between actual and estimated security costs for the event.

7) Notify Public Safety if an event is canceled at least 48 hours prior to the event. Failure to properly notify Public Safety of a cancellation within 48 hours of the event will result in a charge for three (3) hours for each contracted position assigned to the event. Any remaining money will be refunded to the host student organization.

8) Participate in the post event assessment.

**Failure to adhere by the above may result in event cancellation.**

**College Responsibilities:**

1) Assign one designated senior staff representative (or her/his designee) to the event. Staff must be trained in event management and conflict resolution and be available to the students throughout the duration of the event.
   a. He or she will be present at planning meetings held with designated club members.
   b. He or she will be readily available and accessible in the event of a disturbance or other problem.
   c. He or she will attempt to resolve any disturbances or problems to the satisfaction of all parties.
   d. He or she will be the sole authority that can authorize the removal/ejection of an individual from the event – except in the case of an imminent safety threat.
   e. If an imminent safety threat arises during the course of an event, Public Safety has the authority to remove/eject an individual(s) as deemed appropriate.
2) Provide additional staff as needed to ensure entrance processes are in place and implemented.
   a. Establish orderly lines for entry as needed.
   b. Check IDs to assure that all event attendees have valid college ID (or NYS ID).
   c. Check-in guests using the printed or electronic version of the RSVP list.
   d. Collect tickets (if tickets were required).
   e. Stamp hands (or distribute wrist bands) for re-admittance.
3) Ensure that information regarding the logistics of the event is provided to senior staff and Public Safety Officers.
4) Ensure that individuals assigned to an event are knowledgeable of the College rules and guidelines.
5) Provide training to student leaders on event planning and conflict management (this is part of a program at the start of each academic year), including organizational, procedural and preventative techniques.
6) Notify the host organization of any discrepancies between actual and estimated security costs for the event.
7) Participate in post event assessment.

**STUDENT EVENT RISK MANAGEMENT**

All student activities and programs have a risk. The risks may be minimal, moderate or carry a significantly high risk. Perceiving and preparing for the degree to which your event entails risk should be discussed with your Liaison.

In consultation, with your Liaison, senior administrators will determine when the level of risk is high and will further advise.

Note: A host organization may be required to submit a certificate of liability insurance adding the College and the Brooklyn College Student Center as an additional insured party. Similarly, if additional staffing is needed for the production of an event such as Public Safety Officers, the host organization will be required to pay and or reimburse funding for staffing needs.

Risk management is defined as “the process of advising organizations of the potential and perceived risks involved in their activities.” It is also monitoring and supervising organization activities and taking corrective actions and proactive steps to minimize accidental injury and or loss. We must apply principles of risk management at every management level for the purpose of:

1. Identifying and evaluating risk;
2. avoiding or eliminating them where practical and;
3. minimizing, controlling or contractually transferring them to others where possible.

Colleges and Universities deal with many risks on their campuses. It is important for colleges and Universities to:

1. Know what the risks are.
2. Know how to manage risk.
3. Know how much risk you want to be responsible for. Try to manage as little risk as possible and transfer the risk.
4. Have a plan in place to manage risk.
STUDENT-HOSTED EVENTS AT BROOKLYN COLLEGE

A student-hosted event is any event, taking place on or off campus that fits any of the following:

- Uses the name and/or logo of Brooklyn College.
- Hosted by a registered Brooklyn College student organization.
- Made possible by Brooklyn College funds.
- In the case of on-campus events, no rental fee is charged for the use of space.

There are several components to a student hosted event; the following definitions apply:

HOST

All student-hosted events must have a single host. The host is the principal organizer of the event. Hosts must be Brooklyn College student governments or a registered Brooklyn College student club. The host must follow all Brooklyn College requirements and guidelines, and is responsible for:

- Planning, logistics, and promotion of the event.
- Submitting the event details, including an event budget to Student Affairs via the Event Request in the Bulldog Connection.
- Event setup, breakdown, ensuring that all budgeted and unforeseen event expenses are paid.
- Identifying 2 Brooklyn College enrolled student members of the organization who must be present for the planning and for the implementation and duration of the event.
- Identifying a co-sponsor in a timely fashion (if applicable).

CO-SPONSOR

Student groups can seek co-sponsorship for their events in order to advertise more broadly. Co-sponsorship does not imply agreement with or support of views expressed at a student led event. Co-sponsors are:

- An administrative office, academic department or program, student government or a registered Brooklyn College student organization.
- Able to help with promotion of the event, which can include material support.
- Required to follow all event guidelines.
- Responsible for establishing a main contact with the host group.

Co-sponsors MUST be listed on all marketing and promotional material along with the approved Brooklyn College Event Disclaimer (see pg. 68). This disclaimer must be in a font size of at least 10pts and positioned near the list of co-sponsors.

EXTERNAL SUPPORTER

Host groups may also seek external support for their event. External Supporters are not affiliated with Brooklyn College and may include:

- Administrative offices/faculty departments/recognized student organizations/academic center of other CUNY institutions or other academic institutions.
- Not-for-profit organizations recognized as such by the IRS.
- For profit organizations.

Like Co-sponsors, External Supporters must follow all approved guidelines and can assist in the promotion and material support for the event. The office of Student Affairs must approve any proposed partnerships with External Supporters.
BLACKOUT PERIODS:

BLACKOUT PERIODS
Blackout periods are time frames during which no student club/organization hosted events shall occur. Campus student clubs/organizations may host events starting the first day of classes during the fall and spring semesters. Event Request Forms will be accepted beginning four (4) weeks prior to the first day of Fall and Spring classes. No events will be held on days when the college is closed. In addition, campus student club/organization hosted events are not allowed during the following periods.

1. **Winter Break**
   a) After the last day of fall classes up to the first day of spring classes
   b) Please Note: GSO operates on a different class schedule. Thus they may hold events during the undergrad finals period.

2. **Spring Recess**
   a) No club/organization events during spring recess.

3. **Summer**
   a) No student club/organization hosted events are allowed after the last day of spring classes up to the first day of fall classes. Summer programs and events may be hosted by Student Government only.
   b) Graduation related events may be held after the last day of spring classes with approval.
   c) Participation in summer conferences may be approved with special permission provided that all financial obligations are completed prior to the end of spring classes.
   d) Student clubs/organizations may meet unofficially during blackout periods, but no funds may be expended on behalf of the student club/organization or Brooklyn College.

COSTS RELATED TO CLUB/ORGANIZATION LARGE, SPECIAL OR MAJOR EVENTS-SECURITY AND ADDITIONAL STAFFING:

EVENTS OUTSIDE NORMAL STUDENT CENTER OPERATING HOURS:
1. Any club holding an event in the Student Center (SC), after the normal working hours requires additional security for reasons of safety of attendees and the building staff. Costs will be assessed by the Student Center Director upon consultation with Public Safety.
2. The decision to use metal detectors and other security measures will be made by Public Safety. The SC staff and the club/organization will be notified in writing of the decision and the costs.
3. The club/organization is informed of the estimated costs for security immediately after their Event Request is submitted in the Bulldog Connection, but no later than one week (5 business days) from the approval of the request.
4. The amount of security, and additional staffing, if required, and the estimated cost of the same is presented to the club/organization and affirmed in writing with public safety at least 3 weeks prior to the event. The estimate is also provided in writing to CD.

5. CD encumbers the estimated amount from the club budget and informs the SEMT that there are sufficient funds to cover the security costs from the club/organization budget. In the case of insufficient funds the event cannot proceed.

6. If the club event is held, CD sends a request for the invoice in writing to Public Safety. CD then reconciles with Public Safety and the student club no later than 2 weeks following the event.

7. The SC may open on the weekends for special programming. Information regarding costs for full staffing and security will be provided by the Student Center Director.

**Events during normal Student Center hours that require additional resources:**

8. If an event (not designated as major) is to be held during normal Student Center operating hours the Student Center Director in consultation with security will assess the need for additional security and staff resources. If the assessment made by the Student Center Director finds that, due to limited personnel in the Student Center and the College’s responsibility to ensure the safety of all, it is in the best interests of all to request additional public safety coverage, funds will need to be encumbered to support the additional officer(s).

**Events that are open and advertised to the General Public (“Large” Events, as defined in the EPI):**

9. All Student hosted events that are open to the general (non BC) public may require that all guests attending the event enter the building through a metal detector. When the metal detector is required, the host organization will be responsible for all associated costs up to a maximum of $400 per event. If there are concurrent events requiring metal detectors host organizations may share the costs with the total charge capped at $400.

**“Major” events (as defined in the EPI):**

10. In the case of an event designated as a major student hosted event by the SEMT, a security assessment will be made by Public Safety and the estimated security costs of a particular student hosted event will be put in writing to be communicated to the student club by.
STUDENT WORKSHEET FOR EVENT PLANNING AND MANAGEMENT

Four (4) weeks before program – an Event Request must be submitted in the Bulldog Connection by the host club/organization, reviewed by the Liaison, reviewed by CD and approved by SEMT.

SANCTIONS FOR EVENT/TRIP AND FUNDRAISING POLICY VIOLATIONS

Recognized student clubs and organizations have a responsibility to obey policies, procedures and laws set forth by CUNY and Brooklyn College. Violation of policies, procedures and laws put your club/organization and students at risk. Effective Fall 2016, point values will be assigned for event/trip and fundraising procedure violations.

**POINT VALUES**

- Failure to follow timeline submission procedures for meetings/events: 1 point
- Failure to follow fundraising protocol: 1 point
- Failure to follow tabling procedures: 1 point
- Failure to follow approval procedures for on campus events: 2 points
- Failure to follow approval procedures for off-campus events: 3 points
- Failure to follow approval procedures for day trips: 3 points

Any organization that accumulates 5 points throughout the course of the academic year may be placed on suspension for the remainder of the semester. Suspensions that occur within one month of the last day of classes will be extended to the end of the following semester. During suspension, your club may not hold any events or spend club funds.

If an officer believes that their organization/publication has received points in error or without just cause, the student group may appeal in writing to the Vice President for Student Affairs or designee.

Violations of College and University policies including sexual harassment, policy on alcohol and drug use, hazing, maintenance of public order, etc. may result in disciplinary action and organization suspension.

As an elected officer, it is your responsibility to communicate policies and procedures to other officers and club members.

**SELLING OF ITEMS OR SERVICES AT A CLUB EVENT**

Student organizations (including clubs) who intend to fundraise or host an event that includes the sale of items or services must inform their liaison at least three weeks prior to the event. This applies to all fundraising other than bake sales. No outside vendors of any kind will be permitted at an event without prior approval. All requests will be reviewed for approval by the Student Event Management Team.

For approved requests the following guidelines will apply:

**General Rules**

1) Promotion, sales or distribution of products or services that violate Brooklyn College Association, Inc., Brooklyn College, or The City University of New York (CUNY) policies, or New York City, New York State or federal laws, or terms of Brooklyn College or CUNY contracts are prohibited.

2) Promotion of alcohol, tobacco use and credit cards is prohibited.

3) The College reserves the right to determine whether a vendor’s presence is in conflict with the mission of the College.

4) The College reserves the right to remove a vendor if it has shown misleading or questionable business practices.

5) The College reserves the right to limit the number of table opportunities per vendor each semester.

6) The College may specify additional prohibitions.

7) The monies collected by the student organization from any fundraising activity must be used by that organization for non-profit purposes and may not be used for the benefit of any individual, except where it meets with the approved purpose.

8) At the conclusion of a fundraising event, all money collected must be turned over to Central Depository, room 302 Student Center for inclusion in the organization’s budget.
Sales of Items or Services
1) Student organizations may not sell any items bearing the Brooklyn College logo, the CUNY name or logo, or the name or logo of any other CUNY college.
2) Student organizations may sell items with the Brooklyn College name only with the prior approval of a designated College official. The Brooklyn College logo must be requested from the Office of Communications and Marketing.
3) Sales tax may need to be collected from purchasers and reported to New York State by the Brooklyn College Association, depending on the mode and frequency of student organization sales as whole each year.

Raffles
Student organizations should be aware that charitable raffles intended to raise money for a qualified charitable organization (such as the Brooklyn College Association and the student organizations it funds) are highly regulated by New York City and New York State.

Some of the rules include:
1) No one under 18 may participate in or run the raffle;
2) No single prize may exceed $100 in value; No series of prizes in a single offering of the raffle may exceed $1000 in value
3) The price of a raffle ticket may not exceed $10.

Additional requirements apply, including registration and licensing, if the proceeds of a single raffle are at least $5,000.

1) Student organizations may engage in internet fundraising only with the prior written approval of the designated College official and the Brooklyn College Association. Requests must be submitted three weeks prior to the fundraising event to your liaison.
2) Student organizations may not use the CUNY logo or name or the College’s logo on the fundraising website.
3) Student organizations may create their own logo and spell out the College name. However, the College does not provide or allow the use of the official College logo as part of a personalized logo. Student organizations must share any personalized logos with the Office of Communications and Marketing and Student Affairs.
4) The fundraising website must specify that it is the organization that is soliciting funds, not the College, and donations must be made to the Brooklyn College Association, as the legal tax exempt entity.
5) Student organizations and the Brooklyn College Association must comply with all State and federal laws regarding charitable fundraising, including without limitation any IRS requirements for written gift acknowledgements.

Changes to the Fundraising Activities section may occur. The latest version can be obtained in Central Depository.
**FOOD POLICY**

Purchases of food are defined within the context of events versus meetings. The policies are delineated below:

**Meetings** are defined as a gathering of currently enrolled Brooklyn College students within the vicinity of the College and/or the Brooklyn College Student Center where BC students are invited. No outside guests are expected. Local food eateries such as the neighborhood pizza parlor, bodegas, Chinese restaurants, bagel shops etc. can be utilized to purchase food items for meetings without submitting a certificate of liability insurance. An attendance sheet designating the members of the club/organization must be available and submitted to CD following the meeting.

Clubs/organizations who intend to have a general meeting must consult their Liaison at least one (1) week prior.

If reimbursement is anticipated for purchases for your club/organization meeting by individual club executive board member(s) or the vendor, consult your Liaison PRIOR to any food purchase! Your Liaison and CD will guide you toward the necessary procedures and items such as W9 forms, purchase requisitions, original and itemized receipts, etc. needed to complete the process of reimbursement. You must allow for 2-3 weeks processing time to obtain reimbursement for an approved event and food purchase.

**Events** are defined as programs/activities planned and scheduled inside the vicinity of the College and/or the Brooklyn College SC in which members of the Brooklyn College community other than the registered, currently enrolled club members of the host organization are invited and expected to attend said program/activity and may include guests who are not affiliated with the college.

All club hosted events, utilizing a caterer must obtain a certificate of liability insurance naming the College and the Brooklyn College SC as an additional insured.

A list of vendors with certificates of liability insurance on file with the college can be obtained from CD.

If an organization chooses to utilize a food vendor who is not on file, the organization must submit a certificate of liability insurance for said food vendor naming the College and the Brooklyn College Student Center as an additional insured two (2) weeks prior to scheduled event to their club Liaison. Failure to do so may result in cancellation of event.

**Failure to adhere to the above policies may result in cancellation of current activity or event.**
GUIDELINES FOR MEDIA ACCESS TO BROOKLYN COLLEGE EVENTS
The Office of Communications and Marketing serves as the college’s primary Liaison with members of the media. Our professional media relations team is responsible for disseminating public information; facilitating interviews with students, faculty, and staff; seeking positive coverage for the college’s people, programs, and activities; and responding to requests from journalists. We make every effort to accommodate members of the media interested in attending campus events or otherwise covering the college.

As a general rule, the college welcomes members of the media to public events on our campus. Journalists who wish to attend an event at Brooklyn College should normally contact the Office of Communications and Marketing at least 24 hours in advance in order to facilitate their visit. The college reserves the right to place reasonable limitations on media access, which may include restricting cameras and recording devices, requiring New York press credentials, or coordinating a press pool.

As a campus community that embraces diversity, Brooklyn College does not discriminate against members of the media on the basis of age, gender, sexual orientation, religion, race, national or ethnic origin, citizenship, disability, veteran or marital status. Event organizers who wish to contact members of the external media in order to request coverage and/or invite journalists should coordinate in advance with the Office of Communications and Marketing. Such notification will enable the College to accommodate media coverage in the appropriate manner.

As members of the Brooklyn College community, student reporters from our campus based authorized student media outlets are not required to provide advanced notice or coordinate with the Office of Communications and Marketing. Such student reporters may attend any college event by following the standard registration instructions, if required. They may access any event by presenting a college-issued student press pass, which will be provided to each registered student media organization by the Division of Student Affairs.

Members of the media, including student journalists acting in their official capacity, may not be granted access to campus activities where confidentiality is required.

PHOTOGRAPHY / VIDEOGRAPHY AT STUDENT HOSTED EVENTS
Please note, student led events may be photographed by attendees and/or media.

Photographers, both amateur and professional, should not disrupt regular campus activities and those wishing to not be photographed. Release forms must be issued if photos and or video is going to be published.
INFORMATION ON VIEWING OF FILMS
Under The Copyright Act any viewing or exhibition of a video in a public place (schools are considered public places) must have Public Performance Rights (PPR). PPR can be added into the cost of the video at the time of purchase. Written confirmation of permission must be obtained from the copyright holder and kept on file.

A performance can be “public” if it is at a place open to the public or at any place where a substantial number of persons outside of a normal circle of a family and its social acquaintances are gathered. As a result, a “public performance” can take place in a classroom, a residence hall lounge, or a campus theater or auditorium.

A performance may not be “public” if the place is closed to the public, and the audience is not a “substantial” number of persons. Therefore the smaller the viewing group, the less likely it will be a public performance. Gathering a large group of friends or using a common room in a residence hall can make the performance “public.” Open invitations and announcements to the public can make a performance “public.” Performing a work in the course of teaching activities of a nonprofit educational institution may be allowable. Consult with your Liaison 4 weeks prior to proposed event.

POSTING GUIDELINES FOR CAMPUS BULLETIN BOARDS
Open bulletin boards are located throughout the campus and can be used by clubs/organizations to publicize their events in accordance with the following guidelines. Glass enclosed bulletin board reservations can be made through the Dean of Students or designee. Violations of the guidelines may result in event cancellation.

1) All postings must have an identifiable host and contact number.
2) All student club postings must be date stamped by their Liaison, prior to copying and posting.
3) Keep postings no larger than 11” x 17”.
4) Avoid covering other printed materials.
5) Do not place any postings on college walls, entrances, grounds, etc. These will be removed.

Note: If the Quads are the intended venues to be utilized for any campus activity, a request for the review must be submitted to the Student Center Director, 4 – 8 weeks prior to the event.

GENERAL INFORMATION
1) Posting on College walls, doors, and grounds are prohibited. Unauthorized posting in these areas will be removed.
2) As staffing allows, posting will be removed within three days after an event has taken place, or, if not date specific, three weeks after the semester officially ends.
3) The College does not grant permission to credit card companies to advertise, market or merchandise credit cards on campus property.
4) Postings regarding the sale of dissertations or term papers is a violation of Title 1, Article 5, Section 213-b of the New York State Education Law.

Additional information on posting guidelines can be obtained in the Office of the Vice President for Student Affairs.
DEMONSTRATIONS

Brooklyn College supports the right of individual students, faculty, staff and student clubs/organizations to demonstrate provided such activities do not disrupt normal activities or infringe upon the rights of others.

The College will not condone behavior that violates the freedom of speech, choice, assembly, or movement of other individuals or organizations. At the same time, responsible dissent carries with it sensitivity for the civil rights of others.

Accordingly, the College will take no action that limits or denies:

1) the right of any individual or group to demonstrate and publicly proclaim any view, however unpopular; or
2) the freedom of speech, assembly, and movement of any individual or group that is the object of the demonstration.

In addition, the College will take whatever steps it deems necessary to protect students who choose to exercise these rights. These rights are subject only to the following guidelines, which apply to all demonstrations and/or equivalent activity:

1) Requests for demonstrations should be submitted no less than 5 business days in advance to the Dean of Students.
2) Persons may not block or otherwise interfere with the free flow of vehicular, bicycle, and pedestrian traffic.
3) Persons may not block or otherwise interfere with access to or from campus buildings.
4) Persons shall not obstruct, disrupt, interrupt or attempt to force the cancellation of any previously scheduled event or activity. Minor or fleeting interruptions will be permitted as long as they do not substantially interfere with the ability of speakers to conduct their events. Students are urged to treat others with respect.
5) Persons shall not engage in harassing, physically abusive, threatening or intimidating conduct toward any person.
6) Persons shall comply with the directions issued by representatives of the university/college when performing his/her official duties.
7) Classes or other scheduled activities shall not be disrupted.
8) Use of public address systems and amplified sound will not be permitted without prior approval from the Vice President for Student Affairs/Student Center Director.
9) The safety and well-being of members of the campus community collectively and individually must be protected at all times. The College maintains the right to define the time, place and manner in which activities occur on campus.
10) College property must be protected at all times.
11) All included in a demonstration must be currently registered students at the college.
12) Persons engaging in activities on College grounds are subject to and expected to comply with all applicable university policies and procedures.
13) Student organizations sponsoring or organizing demonstrations or equivalent activities will be held responsible for compliance with this policy. Student organization sponsorship in no way relieves participating individuals of responsibility for their conduct. Each individual participating in a demonstration or equivalent activities, whether sponsored or not, is accountable for compliance with the provisions of this policy as well as the Rules and Regulations for the Maintenance of Public Order. Violation of this policy may be grounds for disciplinary action against individuals and/or the sponsoring or participating student organizations and their officers.

**CLIP-BOARDING AND LEAFLETING**

Clip-boarding and leafleting may take place on campus so long as such activity is not disruptive or infringes upon the rights of others. Specifically, students engaging in these activities shall not harass, threaten or intimidate any member of the college community.

**USE OF COLLEGE FACILITIES BY POLITICAL CANDIDATES**

When a candidate for public office is invited to speak on campus in connection with his or her candidacy for office, all other recognized candidates should be provided the same or comparable opportunity to speak (Office of General Counsel, CUNY).

Brooklyn College has an “equal access to political candidate’s policy” which can be found on the BC website at [http://www.brooklyn.cuny.edu/web/about/initiatives/policies/political.php](http://www.brooklyn.cuny.edu/web/about/initiatives/policies/political.php).

Requests to host an event in which a candidate for public office has been invited to speak, must be submitted to the respective club Liaison at least four (4) weeks prior to the event.

In accordance with CUNY policy, all other candidates running for the same position must be afforded a comparable opportunity to speak. For more information, please contact the Student Center Director at 718-951-5528.

**HANDLING DISTURBANCES AT STUDENT-HOSTED EVENTS**

There are occasionally disturbances that interfere with an event or even threaten public safety. If such a disturbance occurs, student event organizers or others in attendance should immediately report it to public safety. Although it may be appropriate to speak with those who are disturbing the event in an effort to end the disturbance, under no circumstances should students or others in attendance undertake to remove them. Rather, they should wait for public safety staff to arrive (if they are not already present).

Public safety officers have been trained to diffuse situations of conflict or confrontation while respecting the right of all students to free expression. Unless there is an immediate threat to public safety, only the director of public safety or another senior administrative designee of the president has the authority to direct the removal of persons from events (or, in extreme cases involving serious risk of personal injury, to terminate the event altogether). The removal of disruptive persons or the termination of an event shall take place only where necessary to permit the event to proceed or to protect public safety and without regard to the content of any views being expressed by any persons.
MAJOR EVENT GROUND RULES

These ground rules should be used in any event where there will be a question and answer section to the program. Student Center staff can provide these rules on a large display board. Timers and signs designating 30 seconds and Time Up are also available. Two Brooklyn College students or staff members should be designated to be the timekeeper and to display the signs. Training will be provided by Student Affairs staff.

GROUND RULES

Please identify yourself before you begin your statements (name and affiliation).

Each audience participant will have up to two (2) minutes to make a statement or ask a question from the floor.

Please direct questions to a specific person(s), if possible (speaker).

Two to four (2-4) minutes will be allowed for a response from panelist.

When the 30 second sign goes up, ask your question or wrap up your response if you have not already done so.

A sign will go up when time is up. Due to time constraints we ask that all speakers end when sign goes up.

All decisions made by the facilitator should be respected.

Priority in speaking will be given to those participants who have not yet spoken.

Everyone is asked to respect other speakers and not interrupt while others are speaking.

Please treat everyone with respect and honor the request of those who do not wish to be photographed.

ALCOHOLIC BEVERAGE SERVICE POLICIES AND PROCEDURES

Brooklyn College Student Services Corporation

Introduction:
The Brooklyn College Student Center holds a New York State Liquor License; the license is issued to the Brooklyn College Student Services Corporation (BCSSC). The Student Center has the responsibility to disperse alcoholic beverages at all campus scheduled events and activities.

a) Brooklyn College community members are required to contact the Brooklyn College Student Center, (718) 951-5528, if they wish to request alcoholic beverage service at a scheduled event.
b) Within five weekdays of receiving a request, a response will be provided based upon the requesting organization’s compliance with the policies and procedures set-forth below under the headings: Student Center Alcoholic Beverage Disbursement Policy. For additional information on the policy, you may contact the Student Center Director at 718-951-5842.

Student Center Alcoholic Beverage Disbursement Policy:
Effective December 1985, New York State Law prohibited persons under the age of 21 from purchasing alcoholic beverages, and as of January 1990, persons under the age of 21 were prohibited from possessing any alcoholic beverage with the intent to consume the beverage. Since many enrolled students are under the age of 21, the possibility of illegal use and abuse of alcohol is greatly increased. Due to the obvious inherent risks associated with the purchase and consumption of alcoholic beverages within the BC community, this Student Center Alcoholic Disbursement Policy has been developed for all alcoholic beverage functions scheduled on the BC campus.

a) All requests for beverage service MUST include a non-alcoholic beverage option; non-alcoholic beverages will be placed in the general program area that is open to all regardless of age.
b) Food items, other than potato chips/pretzels, etc., must be provided by the host organization at all functions that have been authorized to serve alcoholic beverages.
c) When alcoholic beverages are served at an event:
   1) Only persons over the age of 21 will be served alcohol.
   2) Alcohol must be served and supervised by trained Student Center personnel.
   3) Under close supervision by administrative supervisors, Student Center personnel will check photo ID (usually a driver's license) for all individuals wanting to gain access to the alcoholic beverage serving area; special stamps or wrist bands will be used so that the person can easily "come and go" from the area [e.g. bathroom, participate in scheduled activity, etc.].
   4) To ensure that alcohol is not purchased by a person of legal statutory age and then given to a minor, alcoholic beverages will be disbursed and MUST be consumed in an "alcohol beverage area" that permits only persons over the age of 21; Student Center Staff will ensure that no one leaves this area with a drink.

---

19 Names on the license representing BCSSC are: BC President; BC Dean of Student Affairs (BCSSC Vice President); BC Vice President Finance & Administration (BCSSC Treasurer); and BCSSC Director (BCSSC Secretary).

20 Student Center Beverage Service Supervisors: Student Center Director, Assistant Director/Student Center Operations, or Student Center Operations Coordinator
**Beverage Service Requests**

*a) Non-student Organizations*

1) All non-student organization beverage service requests are made through the Student Center Administrative Office 718 951-5528, which is administered by the Assistant Director of Student Center Services.

2) **Alcoholic beverage service requests MUST be made at least two (2) weeks prior to the event.**

3) All alcoholic beverage functions will be held in the Student Center. Under special circumstances, the Student Center staff may provide service outside the Student Center (e.g. President’s Office, President’s Residence, Whitman Auditorium, Library Lily Pond Room, Georgian Room, etc.).

4) Prior to final approval, the proposed alcoholic beverage event will be discussed with the Vice President for Student Affairs or designee.

*b) Campus Student Organizations*

1) Brooklyn College Association (and CUNY) policy **does not** permit the use of undergraduate student activity funds to be used to pay for alcoholic beverage service; however, graduate student activity funds **can be** used to cover purchases.

2) Prior to discussing the alcoholic beverage service request with the Student Center Director, the requesting student organization will be fully appraised of the **Student Center Disbursement Policy** by Student Activities Central personnel; student leadership of the respective organization will then decide if they want to serve alcoholic beverages at their event.

**Final Procedures to Approve Alcoholic Beverage Service**

*a) After thoroughly discussing the ramifications involved with serving alcoholic beverages at a function in the Student Center or at a campus event, the designated organization/office/department representative responsible for requesting alcoholic beverage service will discuss beverage service request options with the Director of the Student Center or designee.*

*b) When the Director is satisfied that all policies and procedures are in place to serve alcoholic beverages at a student organization function or at a campus event, including a discussion with the Office of Public Safety, the Vice President for Student Affairs is contacted to discuss the “plan of action and safeguards” that will be implemented by the Student Center administrative staff **before final approval is given.***

*c) When the Vice President for Student Affairs and Student Center Director mutually agree, final approval can be given to the organization/office/department to serve alcoholic beverages at the scheduled event.*

**Sanctions:**

Violations of the CUNY Rules for the Maintenance of Public Order, pursuant to Article 129A, may subject student violators to disciplinary action pursuant to Article 15 of the University’s Bylaws and College employees to disciplinary action as determined by the College’s Human Resource Division.

---

21 Students violating this policy will be subject to sanctions ranging from admonishment to expulsion from the University system as per CUNY Bylaws, Article 15; College employees violating this policy will be referred to the College Human Resources Division for disciplinary review and action.
CAMPUS LIFE ACTIVITIES AND EVENTS

Use of the Brooklyn College Quads and other Campus Spaces
Brooklyn College Division of Student Affairs

The purpose of the Brooklyn College Quads and other Campus Spaces policy is to provide students and student clubs and organizations at Brooklyn College with the proper protocol to aid in planning and implementing programs and activities at the college.

The CUNY Facilities Use Policy is included as a point of reference should individuals or groups not affiliated with the University express interest in utilizing space at Brooklyn College.

CUNY FACILITIES USE POLICY*
The principal function of the facilities of The City University of New York is to provide a setting to enable the University to carry out its primary mission of education and research. These facilities should not be put to any use that may conflict with or impede this mission. However, in recognition of its role as an urban public university, the University takes upon itself a special responsibility to permit responsible individuals and groups not affiliated with the University the use of its facilities, at such times as they are not in use for the University's primary education and research mission, within the parameters of this policy.

In making available its space to non-affiliated users, the University in no way takes responsibility for the contents of any program or any controversy engendered by any program presented at its facilities by such users. The University has the right to deny use of college facilities, and use of college facilities may be subject to reasonable time, place and manner restrictions.

BROOKLYN COLLEGE QUADS
The East Quad is Brooklyn College's most characteristic and widely-recognized feature, and is used for quiet relaxation and limited events. It is the place where members of the College community gather to talk, interact, and enjoy each other's company – and where the College traditionally holds its annual Commencement. The West Quad opens up the campus inviting students, faculty and staff to spend some time outdoors on the grass and converse with their friends and colleagues. Light recreational activity is allowed on the West Quad.

In keeping with the College's educational mission and the goals of the Division of Student Affairs, the use of the East and West Quads is generally reserved for college-wide student events that promote interaction among the diverse College community and good campus relations. Requests for college-wide events will have priority over those for single-sponsored events. Activities on the East Quad will generally be restricted to the paved sidewalk areas. No equipment may be brought on either Quad without prior approval.
QUAD ACTIVITIES
For safety reasons, various recreational and leisure time activities [e.g. bicycle riding, skateboarding, rollerblading, etc.] are not permitted. The Campus and Community Safety Office will make a determination as to the advisability of other sports activities not listed. Materials that may cause damage to College property such as paint or chalk are not permitted.

HOW TO RESERVE SPACE
All student club/organization requests should be made through the club/organization’s assigned Liaison (Division of Student Affairs staff member). The Liaison will be responsible for submitting the request to the Dean of Students at studentaffairs@brooklyn.cuny.edu and copied to the Director of the Student Center in a timely manner. All requests must be made in writing. All requests will be reviewed by the Dean of Students. Student Affairs staff will be present as appropriate at all approved events.

Events

Events are defined as pre-planned activities. All requests must be made in writing at least four (4) weeks in advance. An alternate rain date location can also be scheduled. Student clubs/organizations are permitted two Quad events per semester. Additional events may be approved with special permission based on availability. Requests for the Quads will require a meeting with designated College administrator(s) representing various offices to determine the feasibility of the request. A representative of the Division of Student Affairs will be present at approved events.

Banners

Student clubs/organizations are not allowed to place banners around the campus without prior approval. Special requests for placing banners around the campus will be reviewed by the Assistant Vice President of Communications and Marketing, the Assistant Vice President for Facilities, and the Dean of Students. Final approval will be granted by the President of the College.

Approved banners will generally be placed on the balcony of Ingersoll Hall for special campus wide events (e.g., athletic events). No banners will be placed on the Brooklyn College Library or Boylan Hall. All banners should be consistent with College specifications and fabrication. College specifications and fabrication guidelines may be obtained by contacting the Office of Communications and Marketing located in 2110 Boylan Hall or calling 718.951.5882.

Demonstrations

Demonstrations are defined as a public gathering or march by a group or collection of groups of people in support of or in opposition to something. If there is a planned demonstration, a quad request should be submitted to the Dean of Students no less than five (5) business days in advance of the event. The College maintains the right to define a reasonable time, place and manner of such activities on campus.
Approved on campus demonstrations must follow College guidelines as outlined in the Student Event Planning and Implementation (EPI) Handbook and in all relevant CUNY policies and procedures. Demonstrations occurring off campus are governed by the policies and procedures established by the New York Police Department. For information about off campus demonstrations, contact your local precinct’s Community Affairs Officer(s).

**Filming**

Requests from enrolled students for filming for class projects are made through the academic department, reviewed by the Office of the Vice President for Student Affairs and approved by campus security.

**Music/Amplification**

Use of music or amplification must be requested and approved in advance according to the Student Event Planning and Implementation procedures and timelines. Club/organization hosted events involving music and/or amplification are generally restricted to the West Quad. Decibel level will be monitored by assigned staff to ensure there is not disturbance to classes that may be in session.

**News Media**

Student requests for news media at events must be coordinated with the Assistant Vice President of Communications and Marketing as per the EPI.

**Tabling**

Tabling is provided for the purpose of advertising events, distributing information and for bake and other sales. Student clubs/organizations requesting table space should submit the request in the Bulldog Connection. Activities directly related to the mission and goals of Brooklyn College as an educational institution will be considered.

Student clubs/organizations are limited to three (3) tabling requests per semester, but additional time blocks may be considered based on availability. Up to three (3) tables may be provided per request. Tabling permission forms will be provided for approved requests, and must be prominently displayed. Tables may not be moved from their designated location.

**Other Campus Spaces at Brooklyn College/Club Activities/Events**

Rooms in the Student Center, specially designated study rooms in the Brooklyn College Library, some classrooms and some athletic facilities may be made available for special programs. Student clubs and organizations should contact their club/organization Liaison for more information before making a request.
CLUB/Organization Meeting Spaces
Student club offices may be housed in other areas of the college, but their locations are subject to the approval of the Dean of Students. It is important to note that the College prioritizes space for academic programs. Designated club and organization space is extremely limited. Questions regarding meeting spaces for clubs and organizations should be directed to the Dean of Students at studentaffairs@brooklyn.cuny.edu.

SECURITY GUIDELINES FOR SPECIAL EVENTS

Following is a compilation of current policy and procedures in effect at Brooklyn College for security at special events. The purpose of this guideline is to give clear and concise instructions on the procedures and protocols to be followed for events on campus where a security concern exists. These guidelines are derived from existing Brooklyn College Special Events Security Guideline, and University established guidelines derived from recommendations of the University Director of Public Safety and the “Report to Mayor David Dinkins on the December 28, 1991 Tragedy at CCNY” prepared by Milton Mollen Deputy Mayor for Public Safety.

1) Brooklyn College Public Safety & Security is responsible for security at any event held on the Brooklyn College campus.

2) All applications for special events on the campus, where security and or safety is a concern, must be submitted for review to the Director of Public Safety & Security no later than thirty (30) days prior to the scheduled event.

3) The application form must be approved by the Office of the Vice President for Student Affairs and the Director of Public Safety & Security who will advise the Vice President for Student Affairs of any anticipated security problems. The event also must finally be approved by a high college official as designated by the President.

4) The Director of Public Safety & Security will conduct a security review of the proposed event and will supply to the applicants a list of security requirements to be met prior to the event taking place. Failure to meet all requirements will result in cancellation of the event. Applicants will be required to acknowledge receipt of the security requirements in writing.

5) Where events are being run by an authorized college club, the faculty advisor of the club must be present and remain at the event for the duration. Failure of the faculty advisor to be present or remain at the event can result in the event being canceled at that time.

6) The Director of Public Safety & Security will prepare a written plan for security at the planned event two weeks prior to the event. The plan will be formulated after consultation with the University Director of Public Safety, NYPD officials and any other security personnel to be utilized at the event. Copies of the written plan will be submitted to the University Director of Public Safety for review and approval by the University.

7) At any time prior to the event, should a safety concern arise which cannot be addressed effectively, the Director of Public Safety & Security may cancel the event, including concerns which may arise during the event.

8) Overall responsibility and supervision of all security personnel at the event will fall under the direction of the college’s Director of Public Safety & Security.

9) Upon completion of the event, a report will be prepared by the Director of Public Safety & Security and distributed to appropriate officials including the student club advisor. The report will summarize the event, its success and any recommendations for future improvements at similar events.

ACCOMMODATION OF SERVICE ANIMALS

This memorandum outlines CUNY’s obligation as to all University facilities and is applicable to all college facilities as well as the Student Center.

Every CUNY facility must allow access to and equal use by a person using a trained service dog. In other words, the laws governing CUNY prohibit the University from denying access or use of a facility because of a person’s reliance on a service dog. As applied to CUNY, “facility” means all college grounds and activities. This requirement applies equally to buildings, transportation, services such as shuttle buses, and events such as commencement ceremonies. Similarly, the University may not impose additional rules that have the effect of limiting a disabled person’s access to or participation in educational activities. Examples of prohibited rules include requiring an entry fee from those using service dogs, imposing an extra fee if the building has generally applicable entry fees, or requiring a disabled person to register his or her service dog or provide medical documentation of the need for the animal. Voluntary registration programs are legal, but a person may not be denied access for refusing to register his or her service dog.

These requirements imposed on all University facilities only relate to persons using trained service dogs. These are dogs trained to perform tasks for people with specific disabilities, including mental health disabilities. Examples include a guide dog for a blind person, a dog trained to interrupt inappropriate behavior by an autistic owner, or a dog that provides an environmental assessment when an owner with post-traumatic stress disorder shows signs of anxiety. University-wide obligations do not apply to dogs that solely provide emotional or psychological support, sometimes referred to as “therapy dogs.” University-wide obligations also do not apply to any other kind of animal (there is an unusual exception for miniature horses, but it is unlikely to be an issue in New York City).

CUNY may not require documentation relating to a persons’ disability or a dog’s training before allowing entry to one of its facilities. When a dog’s function is not readily apparent, a university employee may ask if the dog is a service animal required due to a disability, and may also ask what tasks the dog is trained to perform. But for dogs whose use is obvious, such as a guide dog for a blind person, even asking those two questions are illegal. There are only two situations in which access or use may be denied to an otherwise qualified dog: when the owner cannot control the dog, and when the dog is not housebroken. A failure to stop a dog from constantly barking counts as being unable to control it and would justify a denial of access of use.

Beyond allowing access, all university facilities must make “reasonable accommodations” for persons using service dogs. This is a vague phrase, but a “reasonable accommodation” generally means allowing a disabled person to bring a service dog throughout a building removing obstacles that may prevent the dog from accompanying its owner and performing its duties. Once a dog has been allowed in a building, it must be allowed to go anywhere with its owner, and reasonable accommodations must be made to ensure that no obstacles prevent it from doing so.

An accommodation does not have to be made if doing so would impose an undue burden or economic hardship on the University or fundamentally alter the operations of the University. These exceptions are very limited, however, and are almost never found by courts. Whenever there is a question as to whether a particular accommodation is required, the best practice is to err on the side of providing it. If there is a question as to whether a particular accommodation is reasonable, please consult with the Office of the General Counsel.
