

Free*

Chlamydia & Gonorrhea Screening!

***limited to uninsured & underinsured Brooklyn College students, 26 or younger, once per year.**

Why get tested?

- **Confidential & private: only a urine specimen needed**
 - **Most people have NO SYMPTOMS**
- **Without treatment, risk for serious health problems, including INFERTILITY**
 - **Infection is EASY TO TREAT with antibiotics**

*These--and other services--are additionally available for BC students of any age, with or without health insurance.

(Those with coverage may have lab fees billed to insurance.)
