

Summer 2012 Federal Pell Grant
Front End

The provision allowing additional Pell grants in one award year was repealed due to changes in federal regulation. Therefore, students will no longer be able to receive Pell grants for primary use during the summer session(s). No student will be eligible to receive more than one Pell grant scheduled award meaning that students will only be awarded for the fall and spring semesters of study, which began with the 2011-2012 award year.

Students, who wish to receive a summer 2012 Pell award, derived from the 2012-2013 award year, will have to reallocate their future spring 2013 award in order to have it applied against their summer bill.

CHECK ONE:

Graduating by fall 2012

I am registered for the summer 2012 session(s) and will be graduating before the spring 2013 semester. I would like to use my spring 2013 Pell grant towards payment of the bill for summer 2012 session(s). Please attach a letter indicating your expected graduation date which can be obtained from the Enrollment Services Center – Registrar’s counter. Please note that failure to graduate as indicated will not restore the reduction made by this decision to use your spring 2013 Pell award.

Not graduating by fall 2012

I am registered for the summer 2012 session(s) and wish to use a portion of my spring 2013 Pell grant to pay towards my summer bill. I understand that my decision to do so will result in an irreversible reduction of my spring 2013 Pell grant award.
