2014 – 2015 DEPENDENCY APPEAL FORM**Student Name:** _____**SS#:** _____

Many students assume that if they are not living with their parent(s) and are responsible for their own expenses should be considered for financial aid as an independent student. However, Congress' definition of independence is not that simple and for the most part many of our students are dependent students. If you are a dependent student because you answered "No" to all the questions on Step Three of your FAFSA, but wish to apply for financial aid as an independent student, you will need to complete this form and return it in person at the Financial Aid counter at the Enrollment Services Center, lobby, West Quad Center or via fax 718-951-4778 along with all required documentation.

Important: Dependency appeals are granted on a yearly basis. A new Dependency Status Appeal form and documentation must be submitted for every new academic year until you are recognized as an independent student by the U.S. Department of Education, upon filing your FAFSA.

Please allow 2 – 3 weeks for the review process. All decisions are final.

****Your 2014 – 2015 FAFSA must be filed before submitting this form. ****

A.**Required Documentation****1. Personal Statements:**

2. Supporting Documentation:

3. Third Party Statements:

Provide statements from at least two adult professionals, who are not family members, who can verify the family circumstances you described in your personal statement. Professional statements must be on **letter head**. **Adult professionals include: teachers/professors, guidance counselors, educational professionals, clergy members, lawyers, doctors, health professionals, therapists, psychologists, psychiatrists, social services professionals, and law enforcement officers.**
