FWS: Program Mission

The Federal Work-Study Program accomplishes several functions.

- It serves as a source of financial assistance for students
- It offers a training ground where students can work and gain valuable experience
- It encourages students to participate in community service based organizations
- It provides students an opportunity to participate in the Family Literacy Program (formerly America Reads Program)
Benefits to FWS Supervisors & Job Site

• Additional staff
• No financial cost to approved on-campus site’s budget
• Opportunity to train and mentor our students
How Does A Student Receive A Federal Work-Study Award?

• File the current academic year Free Application for Federal Student Aid Form (FAFSA). Students are advised to file early. Refer to FATV for information on when you can file your FAFSA at [http://www.brooklyn.cuny.edu/web/about/offices/financial/fatv.php](http://www.brooklyn.cuny.edu/web/about/offices/financial/fatv.php)

• Indicate on FAFSA that the student wants to apply for Federal Work-Study.

• Students must provide additional documents according to their CUNYfirst “To Do List” if needed as a prerequisite to being considered for an FWS award.

• Meet Federal and CUNY eligibility criteria (meet SAP, register and maintain at least 6 credits in their division of matriculation and pay the bill). Enrollment status is established by the 7th day of the semester.

• FWS funds awarded will be posted to the student’s CUNYfirst account: Student Center -> View Financial Aid -> Select Aid Year.

• The FWS award offered must be accepted by the student on their CUNYfirst account prior to placement appointment. Not immediately accepting the award may result in the cancellation of those funds.

• Placement information is on the Brooklyn College website (Resources and Forms section).

• Student must complete job placement under the FWS Program before the deadline as listed on the Notice to Students Awarded FWS to avoid cancellation of their FWS funds.

Statement of Federal Work-Study (FWS) Supervisor’s Responsibilities

- This form must be returned to the Office of Financial Aid prior to hiring FWS employees. Students may not begin working as a FWS employee until the FWS Student/Employer Acknowledgement form, Form F-9 and supporting documents are returned completed for the current placement period and the NYS Department of Labor Form was issued indicating the start date. *Time sheets will not be accepted for students who were not officially approved to start work. Refer to the NYS Labor Form for approved start date. Supervisor must call (718) 951-5178 or 3816 to schedule an appointment to have the digital time sheet template delivered by e-mail installed after the student is officially hired. Only 1 template is needed for the academic year.

- FWS supervisors are responsible for the direct supervision and training of FWS student employees. Students may not begin working until all FWS placement forms, including the FWS Student/Employer Acknowledgement form is returned to the Federal Work-Study Office in room 308 West Quad Center. FWS employees should not be given keys to the office. Federal regulations state that FWS students are not permitted to work during the time they are scheduled for classes. Obtain a printed copy of each student’s class schedule for your records. At the time of hire, supervisors must establish a work schedule for the student which does not conflict with their class schedule. CUNYfirst! Students enrolled in a hybrid/online class must submit proof to their FWS supervisor at the time of job placement. Attach a copy of the official letter from the professor to each time sheet submitted for processing.

- I have reviewed the FWS Payroll Calendar plus the digital timesheet, and agree to adhere to the procedures.

- I am responsible for monitoring student’s earnings and any payment of any excess earnings is the responsibility of the department, office or work site which permitted the FWS student employee to work.
  - Prior to official FWS placement (see above)*
  - If student’s enrollment status is below 6 credits
  - After the work-study award was earned prior to last day of the semester
  - After program termination date

- The FWS Program does not pay for sick days, breaks, lunch and/or vacations. I must submit an official statement to the FWS Payroll Assistant at the beginning of the academic year if my job site will be open on legal holidays or when the College is scheduled to be closed. FWS students cannot work days, evenings, weekends or holidays if the supervisor or designated alternate supervisor (college employee) will not be present. The supervisor must attach a memo to any time sheet to confirm work done when the college is officially closed.

- Each time sheet must be checked to ensure all information is accurate and legible. It is my responsibility to monitor each student’s time and duties. Supervisors and/or other staff members are not to ask FWS students to do personal errands. The supervisor will be liable if the student is injured performing the personal errand.

- I understand that if I am going to discontinue my position as a FWS program supervisor, I must inform the FWS office that I will no longer be able to supervise FWS students. Additionally, I must print and sign off on the timesheets for all students who worked under my supervision prior to my last day at the position.

- I understand time sheets must be submitted promptly to ensure payment to student.

- I know the pre-signing of a time sheet is prohibited as per the federal regulations.

- I will provide the FWS employee with a copy of the time sheet each pay period.

- I understand that I must keep all copies of time sheets for five years for audit compliance.
