2017 Summer Session Scholarships for Brooklyn College Undergraduates

A limited number of Summer Session Scholarships will be provided to students needing one to two courses to meet the minimum 30 credit (per year) qualification requirement of the Excelsior Scholarship.

Because funding is limited, you must apply by June 30, 2017. Applications will be considered on a case by case basis until funding is exhausted. All past due balances must be paid in full before submitting your application. Scholarships will be up to $500 per course. A maximum of 2 courses will be considered. Again, the goal is to help the student become eligible for the Excelsior Scholarship which requires a minimum 30 credit course load by year. The student must also be eligible for and intend to apply to the Excelsior. Applications should be submitted to the Office of Scholarships, Room 213 West Quad. You may also email: scholarship@brooklyn.cuny.edu.

Additional Criteria:

Be residents of New York State

Be U.S. citizens or permanent residents

Good academic standing

Be on track to graduate in four years

Please make sure that you pre-enroll in your course(s) prior to submitting the Summer Session Scholarship application.

The Office of Scholarships must receive written notification from you, the student, of all changes to enrollment, if selected. If you change enrollment or drop your courses entirely, your scholarship will be subject to change or cancelled, making the student responsible for the payment of all charges.
