Brooklyn College invites applications for the College Intensive Mental Health Counselor in the Office of Personal Counseling. This position reports to the Director of Personal Counseling. The College Intensive Mental Health Counselor will provide and/or coordinate treatment, supervise doctoral and master’s level trainees, oversee our group therapy program, provide crisis management, advocacy and assistance in obtaining off-campus psychiatric and concrete social services (food stamps, housing, domestic violence assistance, immigration assistance, and substance abuse treatment) for Brooklyn College students. Responsibilities include but are not limited to:

- Coordinate and oversee our group therapy program.
- Provide crisis intervention, individual assessment, psychological counseling, case management and referral services (primarily) to students.
- Provide supervision and training to graduate student trainees.
- Provide consultation and referral to faculty, staff, and students.
- Outreach to targeted underserved populations and provide education that decreases the stigma of mental illness.
- Maintain accurate and timely client records.
- Must be able to work Monday through Thursday (9am -7pm) and Friday (9am-4:30pm).
- Perform other related duties as assigned by the Director of the Personal Counseling.

**Minimum Qualifications:**

- A Doctoral degree in Psychology to include Ph.D. and Psy.D. programs (OR)
- A Master’s degree in an appropriate discipline or psychological counseling and a New York State license as a mental health practitioner (social work, psychology, or mental health counseling).
- In addition, six years’ professional experience is required for all candidates.

**Preferred Qualifications**

- Two years of related post-degree clinical experience preferred
- Experience providing advocacy and counseling to a diverse population
- Experience providing clinical supervision to trainees
- Experience with group psychotherapy

**Compensation:**

- $73,875.00
- Position is subject to annual funding
- Annual Leave and Sick Leave can be accrued
- Pension plan can be implemented after the completion of a year of service.
Closing Date
Wednesday, July 31, 2019 – search extended
