Checklist of Requirements: Minor in Global Studies  
**As per the current version of the college bulletin**

This checklist should be used to help you keep track of your progress towards fulfillment of the requirements for a Minor in Global Studies.

If you have any questions or come across any errors, please contact a Philosophy Department advisor.

Students must complete **twelve credits of advanced electives** chosen from the courses listed below, with a **grade of C- or higher in each course**. Courses must come from at least two departments or programs. Courses presented for this minor may be counted toward the major in any of the participating departments or programs.

Requests for course substitutions must be submitted to the Global Studies Curriculum Committee.
