

OCTOBER 3

12:30PM -- 2PM

Amersfort Lounge (2nd Fl)

CHEMISTRY SOCIETY

Brooklyn College

HOW TO

MANAGE CHEMISTRY

BUILDING A SUCCESSFUL STUDY
GROUP SEMINAR

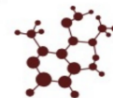

HOSTED BY:

**THE
CHEMISTRY
SOCIETY**

- This event is focused to help students in General Chemistry classes form successful study groups.
- We will be sharing tips on how to create and maintain an effective study group for chemistry.
- Join us to connect with your fellow classmates in Chemistry, learn effective study habits to excel in chemistry and enjoy some free food!
