

Sample Course Sequence

| Semester | Core Classes | Clinical Seminars | Electives | Early Intervention Specialization |
|--------------------------|--|--|---|--|
| Fall Semester I | CASD 7107X - Advanced Language Acquisition CASD 7211X - Research in SLP & Audiology CASD 7325X - Clinical Foundations in SLP CASD 7333X - Diagnostic Principles & Procedures in SLP CASD 7337X - Speech Sound Development & Disorders | | | ECAE 7675T - Supporting Diverse Families and Parent-Child Relationships |
| Intersession I | | | Program Electives | CASD 7444X - Early Intervention I: Theory and Practice |
| Spring Semester I | CASD 7128X - Neural Processes of Communication CASD 7321X - Language Disorders in Preschool Children CASD 7336X - Literacy & Language-Based Learning Disabilities | CASD 7395X - Clinical Practicum & Seminar: Assessment in SLP CASD 7396X - Clinical Practicum & Seminar: Intervention in SLP | TSSLD Elective: SEED 7500 - Perspectives on Education: Teaching Children & Adolescents in Cultural Context | |
| Summer Semester I | | | Program Electives | CASD 7442X - Medical Speech-Language Pathology |

| | | | | |
|----------------------------|--|--|---|--|
| Fall Semester II | CASD 7313X - Dysphagia CASD 7326X - Aphasia and Acquired Linguistic, Cognitive and Communicative Disorders in Adults CASD 7327X - Voice Disorders <i>or</i> CASD 7441X - Clinical Audiology | CASD 7397X - Clinical Practicum & Seminar: Assessment and Intervention I in SLP CASD 7691X - Clinical Practicum and Seminar in Audiology (with CASD 7441X) | TSSLD Elective: CBSE 7672 - Teaching in Least Restrictive Environments | |
| Spring Semester II | CASD 7327X - Voice Disorders <i>or</i> CASD 7441X - Clinical Audiology CASD 7331X - Motor Speech Disorders | CASD 7398X - Clinical Practicum & Seminar: Assessment and Intervention II in SLP CASD 7691X - Clinical Practicum and Seminar in Audiology (with CASD 7441X) | TSSLD Electives: CASD 7551X - Professional Practice of Speech-Language Pathology in Educational Settings; CBSE 7677 - Curriculum Modifications for Teaching Students with Special Needs; SEED 7500 - Perspectives on Education: Teaching Children & Adolescents in Cultural Context | CASD 7445X - Early Intervention II: Identification, Assessment, and Intervention |
| Summer Semester II | CASD 7323X - Fluency Disorders | CASD 7399X - Clinical Practicum & Seminar: Assessment and Intervention III in SLP CASD 7691X - Clinical Practicum and Seminar in Audiology | Program Electives; TSSLD Electives: CASD 7551X - Professional Practice of Speech-Language Pathology in Educational Settings | CASD 7446X - Specialized Clinical Practicum and Seminar in Speech-Language Pathology, Zero to Three CASD 7443X - Pediatric Feeding and Swallowing Disorders |
| Total = 6 Semesters | Total = 14 Courses | Total = 6 Seminars | Program Electives = 2-3 Courses | Total = 6 Courses |

| | | | | |
|--|--|--|--------------------------------|--|
| | | | TSSLD Electives = 4 Courses | |
|--|--|--|--------------------------------|--|

******Course Sequence is subject to change. Comprehensive Examination is administered during your second year of study after Fall Semester II. Course sequence assumes student commitment to full-time study and successful completion of all program and college requirements. Students who are unable to commit to full-time study, and/or who require additional support may graduate at a later time than other students in their entering cohort.******
