

# ALL IN

A photograph of a student with dark hair, wearing a black sweater and green pants, sitting cross-legged on a green lawn. She is writing in a notebook with a pen. In the foreground, there are out-of-focus orange and red flowers. The background shows a garden with green hedges and trees, with sunlight filtering through the leaves.

## FOR YOUR FUTURE

**BROOKLYN COLLEGE  
GRADUATE STUDIES**

**Brooklyn  
College**

# WHY BROOKLYN COLLEGE GRADUATE STUDIES?

---

*At Brooklyn College, you  
can reach for the stars  
on a dreamy, award-  
winning campus known  
for helping students climb  
the socioeconomic ladder.*

---

## **Lots of Degree Options At an Affordable Price**

More than 60 innovative master's and advanced certificate programs at a price that can't be beat.

---

## **Prestigious Professors**

Study with faculty at the top of their field, including Nobel and Pulitzer Prize winners, who value mentorship as much as scholarship.

---

## **21st Century Science**

Our cutting-edge degree programs in Health, Nutrition, Mental Health, and Earth and Environmental Sciences set our students up to enter some of the fastest-growing fields.

# ALL THE POSSIBILITIES

A photograph of two women in a kitchen setting, smiling and holding a large bunch of leafy green vegetables. The woman on the left is wearing a white lab coat and a blue hairnet. The woman on the right is wearing a maroon shirt and a striped apron. The background shows kitchen shelves and equipment. A yellow vertical bar is on the right side of the image.

**ALL THE INNOVATION  
YOU CAN DREAM OF**

---

*From participating  
in health promotion  
programs to conducting  
research in our food lab,  
the graduates of our  
Health and Nutrition  
Sciences program  
make a real impact  
in their community,*

---

**From sustainability and the climate crisis to the expansive health care fields of mental health, nutrition, and health informatics, our programs address the world's most pressing problems in industries where career entry and advancement opportunities abound.**

---

You will study with faculty members who are inventors, mentors, and researchers, and they will guide you as you navigate through our academically rigorous, but richly rewarding and nationally-acclaimed programs. The skills you gain will prepare you to engage with today's foremost ethical, legal, and social issues surrounding scientific and technological developments, and your work will benefit Brooklyn and the world.

---

You will be able to focus on your education because we've stayed focused on making sure our programs are among the most affordable around. We also have a wide range of financial aid resources for graduate students across every program, and we make our financial aid advisors available to discuss all your options.

---

*Our Murray Koppelman School of Business is the only business school in Brooklyn accredited by the Association to Advance Collegiate Schools of Business and has a network of more than 7,200 alumni at some of the top business organizations in the world.*

---

**You bring the hustle and hard work and we provide access to a world of opportunities.**

You'll have every advantage as you further your career with the support of the Magner Career Center, one of the most proven and effective career centers in CUNY, with access to thousands of internships at Fortune 500 companies, world-class cultural organizations, and government agencies. Brooklyn College is proud to offer stipends for unpaid internships.

---

Recent graduate-level internships include opportunities at organizations such as:

---

**ARK MEDIA**

**HENRY STREET SETTLEMENT**

**MTA**

**NEW YORK CITY OFFICE OF THE COMPTROLLER**

**NEW YORK CITY DEPARTMENT OF EDUCATION**

**NEW YORK CITY DEPARTMENT OF MENTAL  
HEALTH AND HYGIENE**

**AON**

**ERNST & YOUNG**

**KPMG**

**PWC**

**JP MORGAN**

**UNITED NATIONS**

**ALL THE  
OPPORTUNITIES  
YOU'LL FIND**

# ALL TOGETHER NOW

---

*Our School of Visual, Media and Performing Arts houses cutting-edge programs in sonic arts, interactive media, and theater. And besides that, where else are you getting access to professors of this caliber—like Obie-winning playwright Mac Wellman, who wrote “The Lesser Magoo”—at this price?*

---

**You will bring all of your rich life experience and will sit next to students who do the same, making for a dynamic classroom. We'll provide you with access to professors at the top of their fields, who bring years of experience and a vast array of expertise, who are invested in teaching and mentoring in and out of the classroom. Our faculty members bring deep professional experience in specialized fields such as cancer research, art exhibitions, colloquiums, and a variety of educational and business arenas. Each year, they are awarded millions in research grants.**

---

#### **Faculty Awards and Distinctions**

---

**NOBEL PRIZES**

**PULITZER PRIZES**

**EMMY AWARDS**

**OBIE AWARD**

**NATIONAL ENDOWMENT FOR THE HUMANITIES AWARDS**

**GRAMMY AWARDS**

**NATIONAL BOOK AWARDS**

**NATIONAL ENDOWMENT FOR THE ART FELLOWSHIPS**

**GUGGENHEIM FOUNDATION FELLOWSHIP**

**FULBRIGHT PROGRAM FELLOWSHIPS**

**FORD FOUNDATION FELLOWSHIPS**

**KENNEDY CENTER HONORS**

---

*Our Feirstein Graduate School of Cinema brings the industry to the students, while giving them access to state-of-the-art facilities and equipment on the largest production studio complex outside of Hollywood.*

---

There's no limit to what you can accomplish when you take advantage of all that Brooklyn College has to offer.

---

**GET THOROUGH, UP-TO-DATE RESOURCES** for New York State Education Certification and take part in unique graduate programs in education.

---

**GET IN-DEPTH EXPERIENCE** by conducting real research in your chosen field, side-by-side with faculty members, and by presenting your work and your findings at professional conferences.

---

**GO FURTHER WITH DOCTORAL STUDY PROGRAMS** in the sciences in partnership with the City University of New York Graduate Center in Manhattan. Programs available in biology, chemistry, computer and information science, earth and environmental sciences, health and nutrition sciences, mathematics, physics, and psychology.

---

**GET THE GUIDANCE YOU NEED** for a long-term professional career in public, private, or government accounting through C.P.A. exam preparation.
