Successful Prep: Student Highlights

Here at SUCCESSFUL PREP we celebrate students who are tackling school work as well as their lives! This month we are celebrating Salif Soumahoro! He is a CUNY EDGE Senior here at Brooklyn College. Salif is a film major and has always had a passion for what happens in front of the camera as well as behind it. With this passion he recently landed an internship with the Manhattan Neighborhood Network. Salif knows that this would be a great way for him to gain more experience film production. Salif's plan for after graduation is to continue gaining experience with acting and producing by working in the field.

A brand new summer opportunity has arrived Governor Cuomo has announced that he would could be able to help rebuild Puerto Rico! The best part about it is that we, as CUNY students get to participate! We have the option going for a minimum of 2 weeks, and a maximum of 6. This is a great opportunity to learn about Puerto Rico's culture as a whole while doing it for a good cause! You can apply with this link:
