A MESSAGE FROM MONIQUE:

Hi Everyone,

As we begin week six of the semester, I hope that you are all settling in to the rhythm of class, homework, work and hopefully some fun!
We are currently recruiting to the Job Developer/Career Specialist position and Roberte, Jaclyn and I will be splitting those responsibilities until we find a replacement.
We look forward to seeing you for engagement at one of our workshops or for one on one advisement.
There are a few deadlines coming up for scholarships and other resources. See page 3!

Take Care,
Monique Ngozi Nri
