

Blackboard Learn is CUNY's enterprise Learning Management System (LMS), centrally supported and managed by the Office of Computing and Information Services (CIS), and staff and instructional leaders on the campuses.

Blackboard is accessed from the [www.cuny.edu](http://www.cuny.edu) menu bar and from direct access URLs on campus websites. Access to Blackboard uses your CUNY Login credentials. If you have not claimed your CUNYfirst account on <https://home.cunyfirst.cuny.edu/>, you must do so before accessing Blackboard. Your CUNY Login username is your CUNYfirst username followed by @login.cuny.edu and your CUNYfirst password. For example, if you log into CUNYfirst as george.washington76, your CUNY Login will be george.washington76@login.cuny.edu.

For more information, see the CUNY Login Frequently Asked Questions at <http://www2.cuny.edu/about/administration/offices/cis/cuny-login-faq/>
